chapter 11

THE TRIBESMEN
DUG THIS HOLE FOR
OVER A YEAR,

AND THEIR SORCERERS
PREPARED THIS SPELL
FOR HALF A YEAR!

DO YOU HAVE
ANY IDEA HOW COSTLY
IT WAS?

This is extremely
expensive, too!

All right,
calm down...

Is there any way
to recover it?

Too late. It'd take
over half a year
to recover it,

and they
can't fight off
the Rejons during
that time.

The Sarion Tribe
will most likely move to
another location.

How about
putting some
bait inside?

Since they're so
many, they should
be starving.

They'll try to
fill their bellies
first.

Don't you think
we've already
tried that?

They're quite
intelligent,
you know.

Well, we
make it so they
have to fall in
the trap.

But, how?

Is he fast?

The
quickest.

About
how long?

I have yet
to try it, but he
shouldn't have too
many problems
with half a day.

Could I borrow
him for a while?

Hmph, would
you lend out
your wife as
well?

A woman
shouldn't talk
like that,
you know.

Heh,
I'm stronger
than you,
though.

If you're
weaker than a
woman, are you
even a man?

She isn't
basking
off his
She.

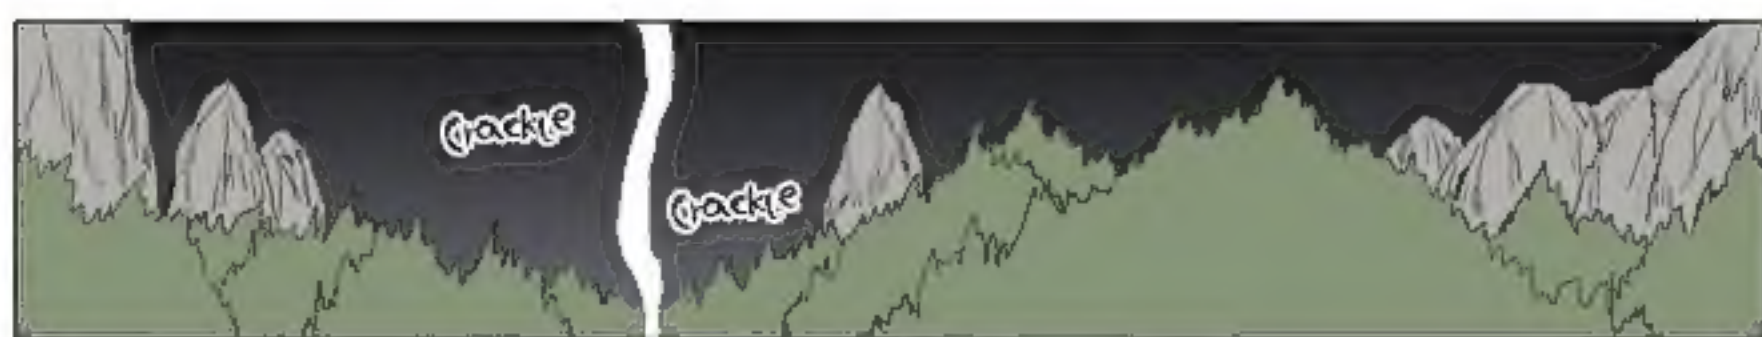

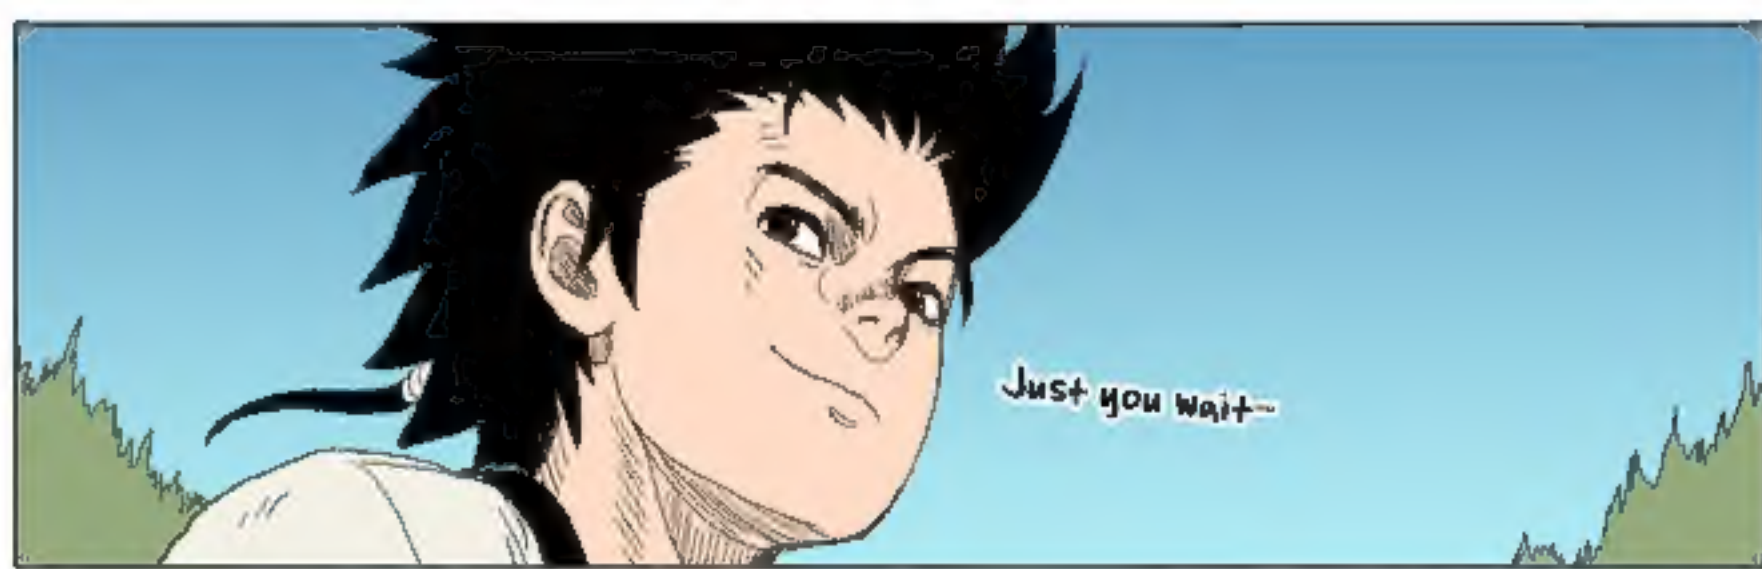

Let's face off
sometime soon.

But for now,
this is more
important.

Lend me
your piruma.

I'll make the
Rejon fall into
the trap.

SOON WHEN HE CALLED THE FOX DIRIK O

We were lucky
to escape with only
this.

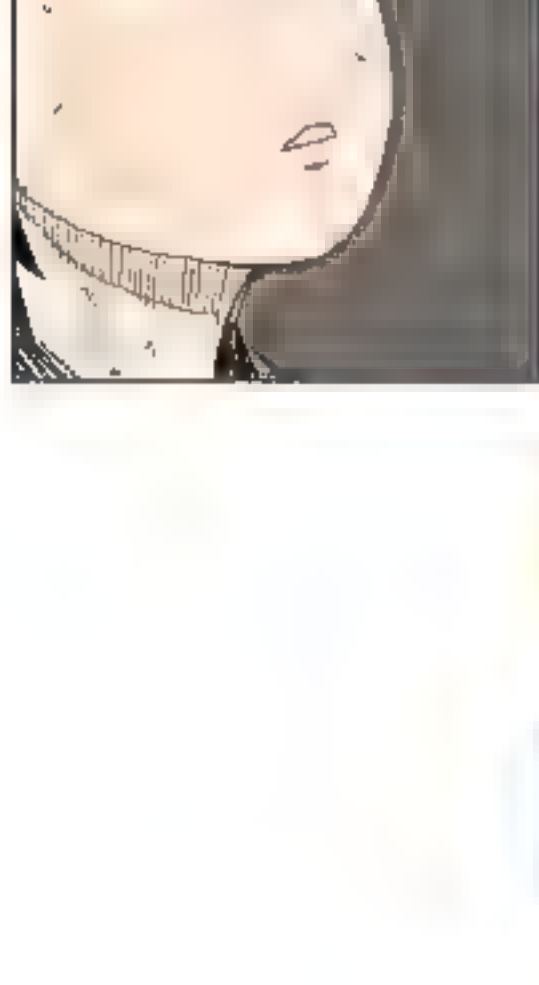

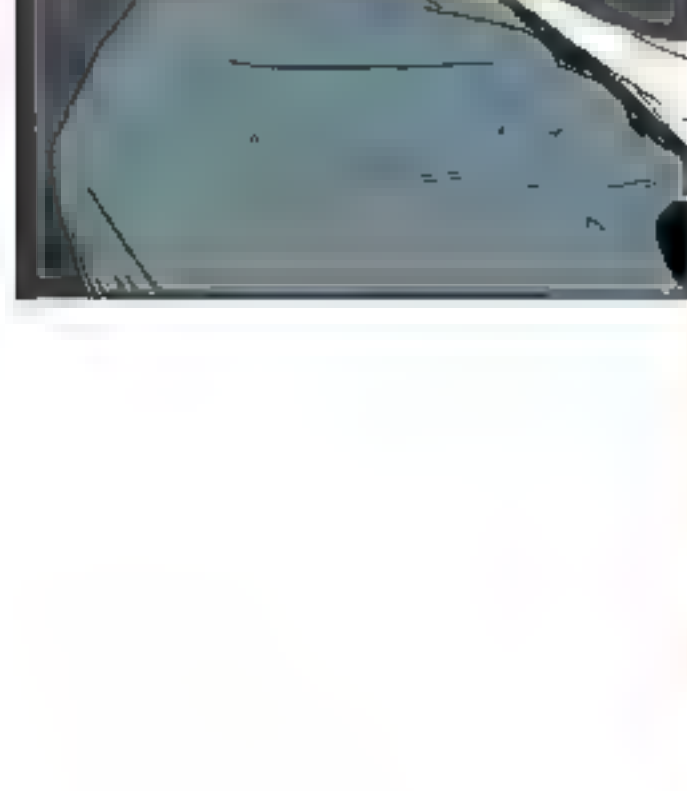

Is it poisonous?

We won't survive for
long like this.

Don't worry
it'll be all right.

Stop Nah, it's
okay If we die here,
then what's the use
of these magic
gemstones?

There, there.
Eat all you want.

Since that might
be the last food I
can give you.

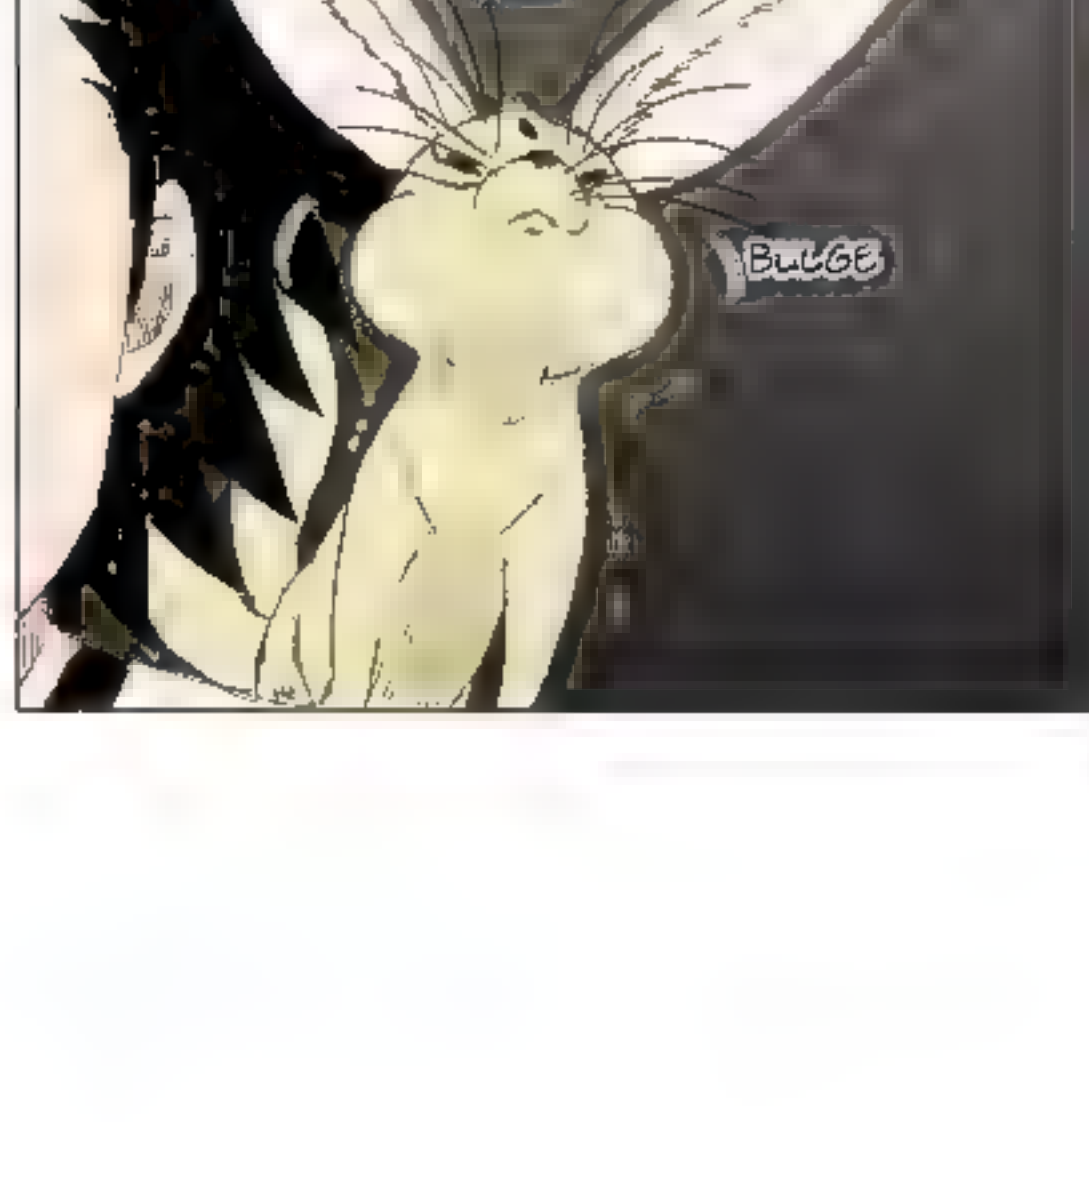

I wonder
if that erat
is fine...

OUCH!

No, not my

DAMN FOX!
WHAT ARE YOU

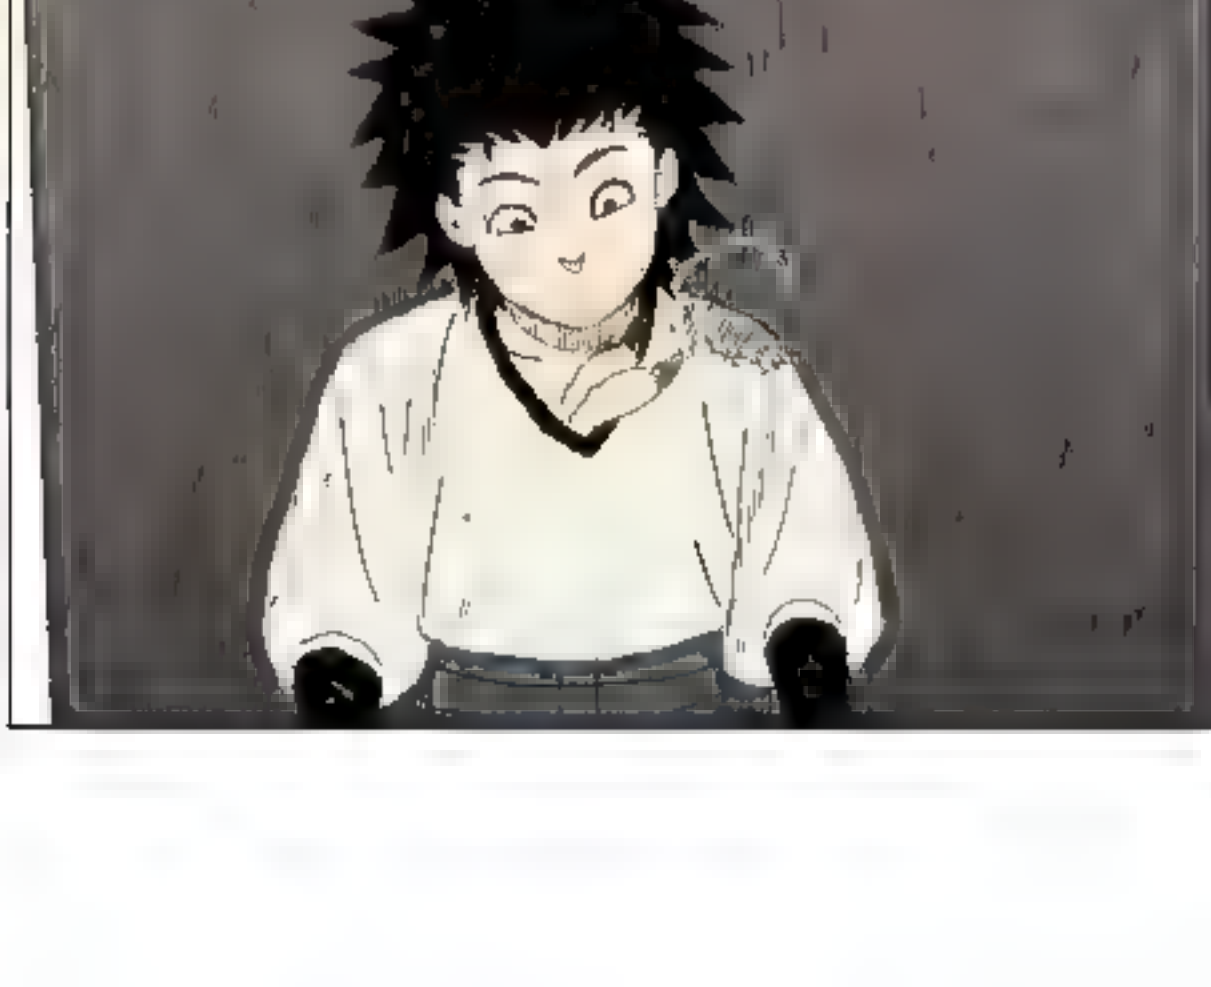

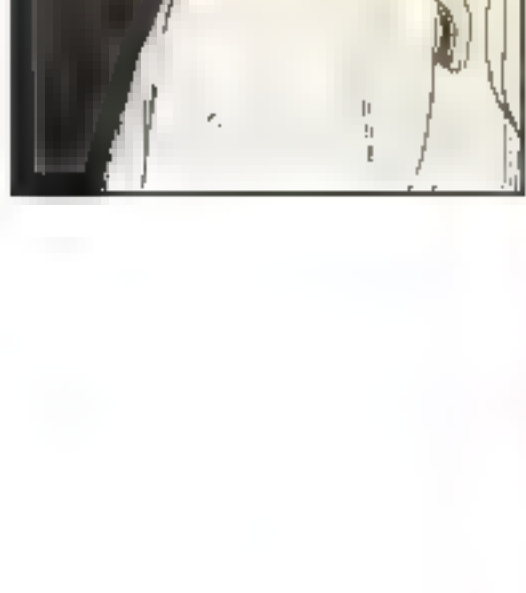

YOU JUST HAD TO DO
THAT ON HERE...

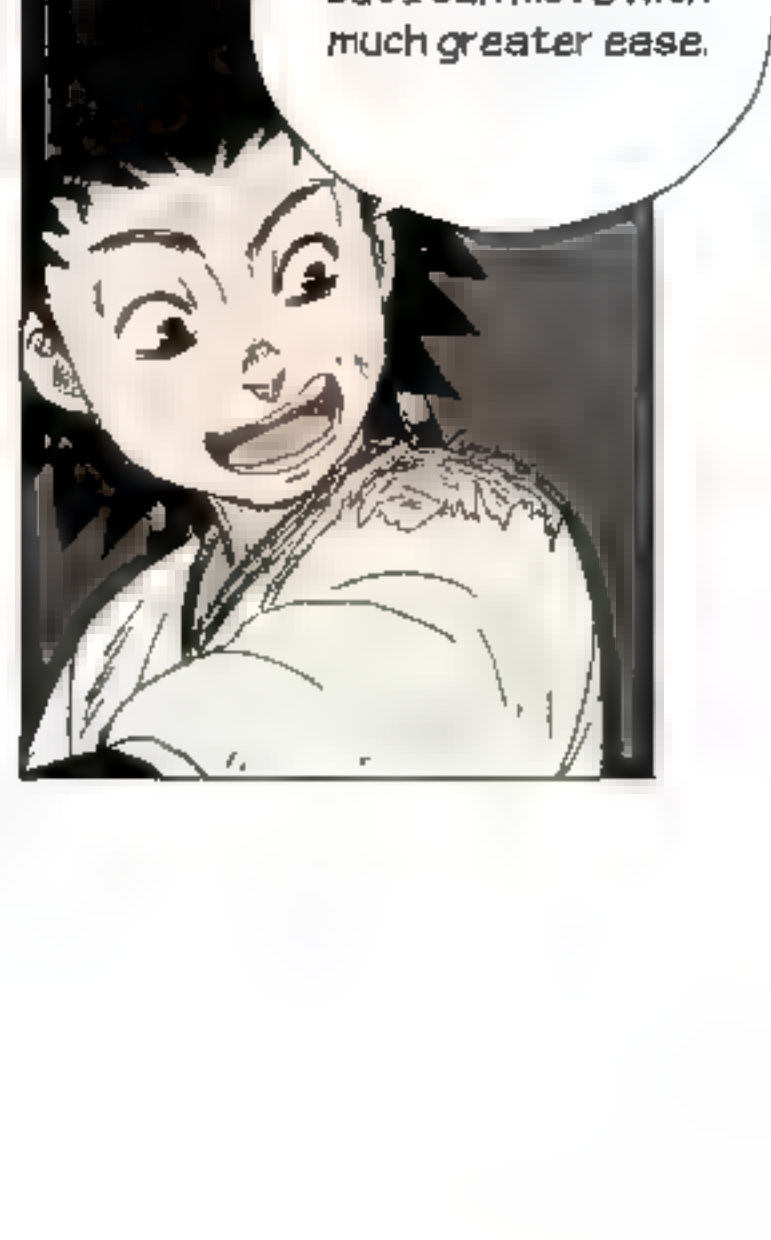

Ow...
It burns...

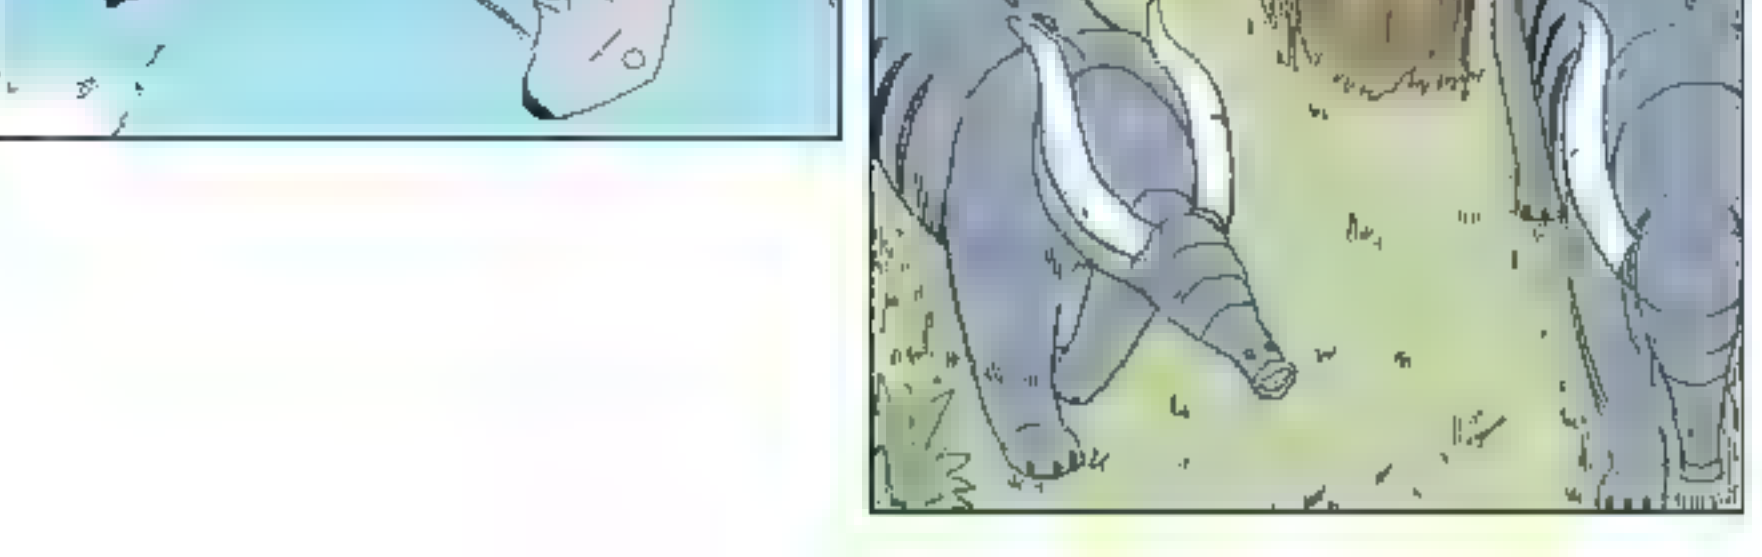

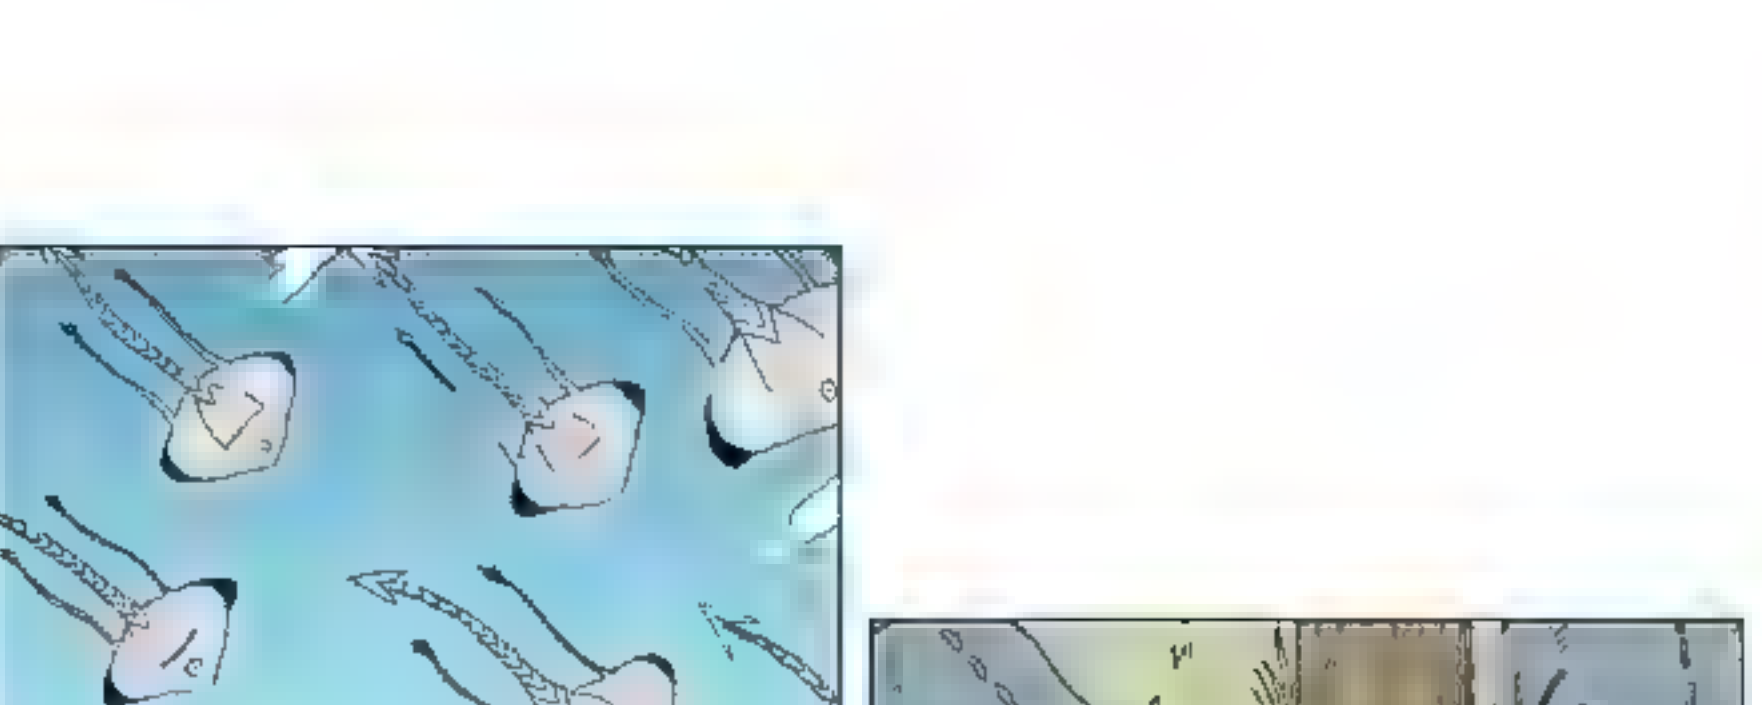

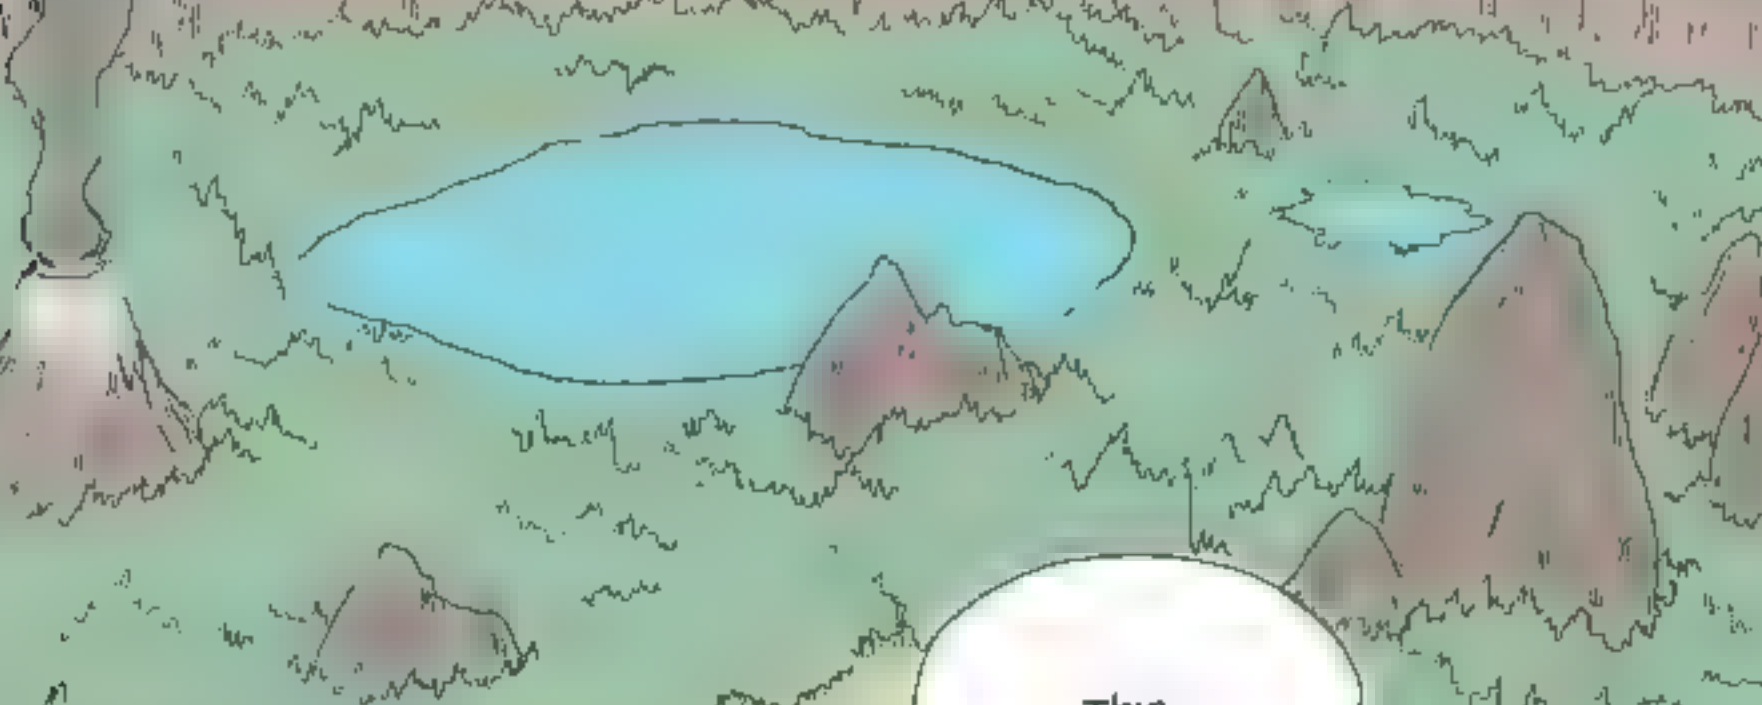

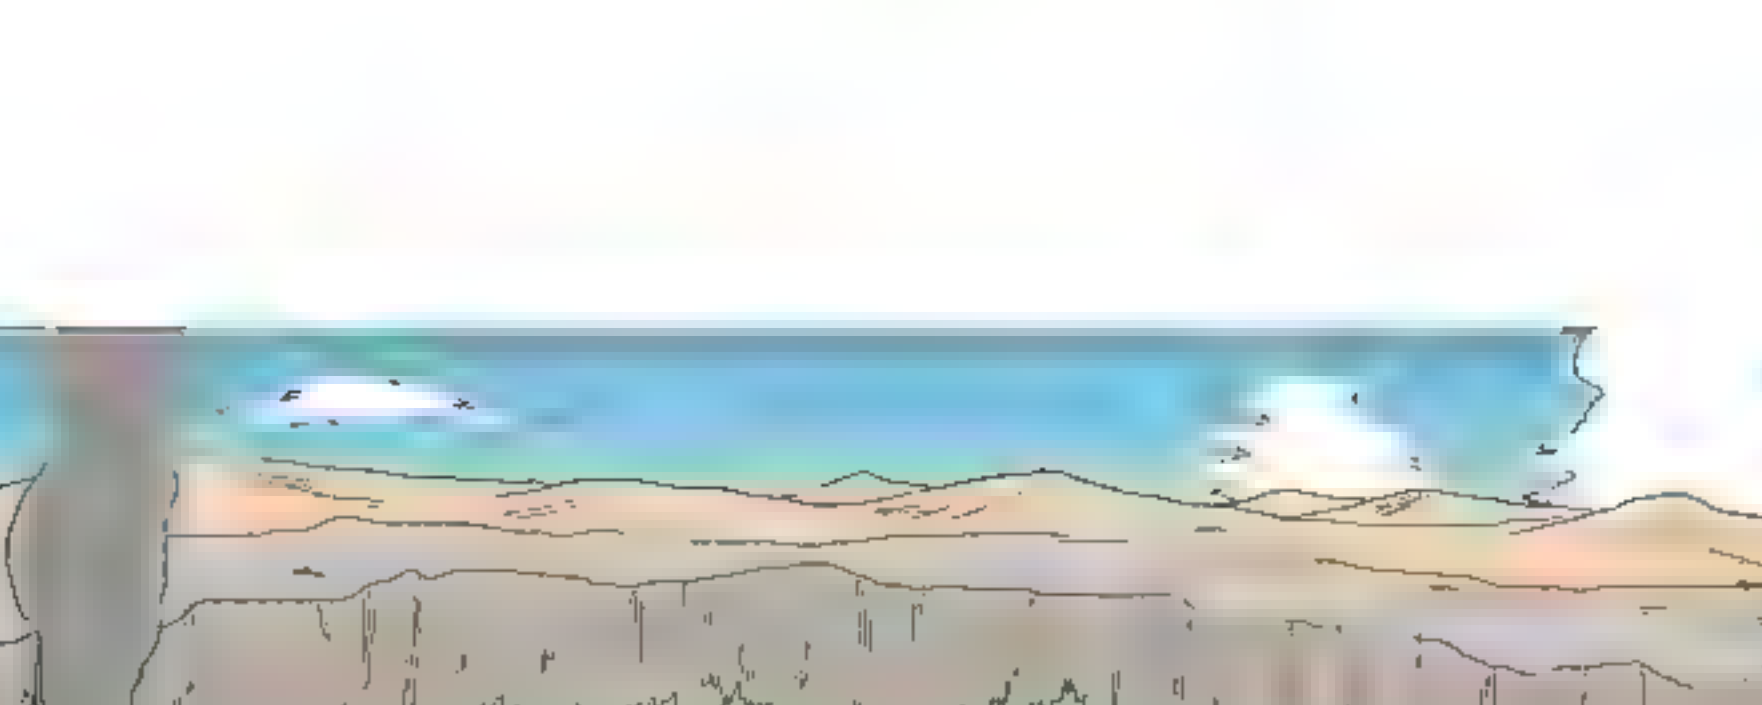

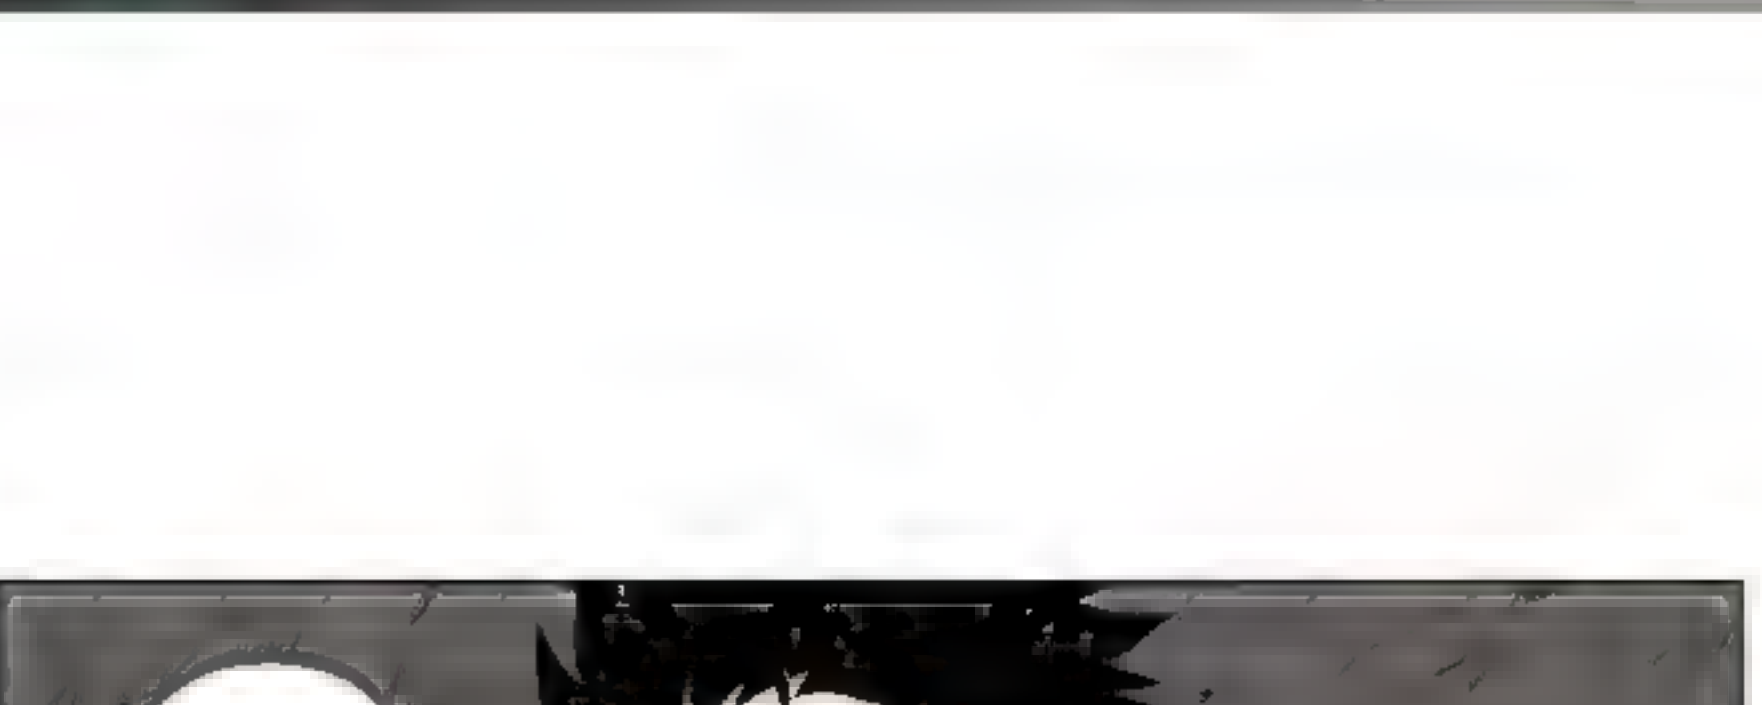

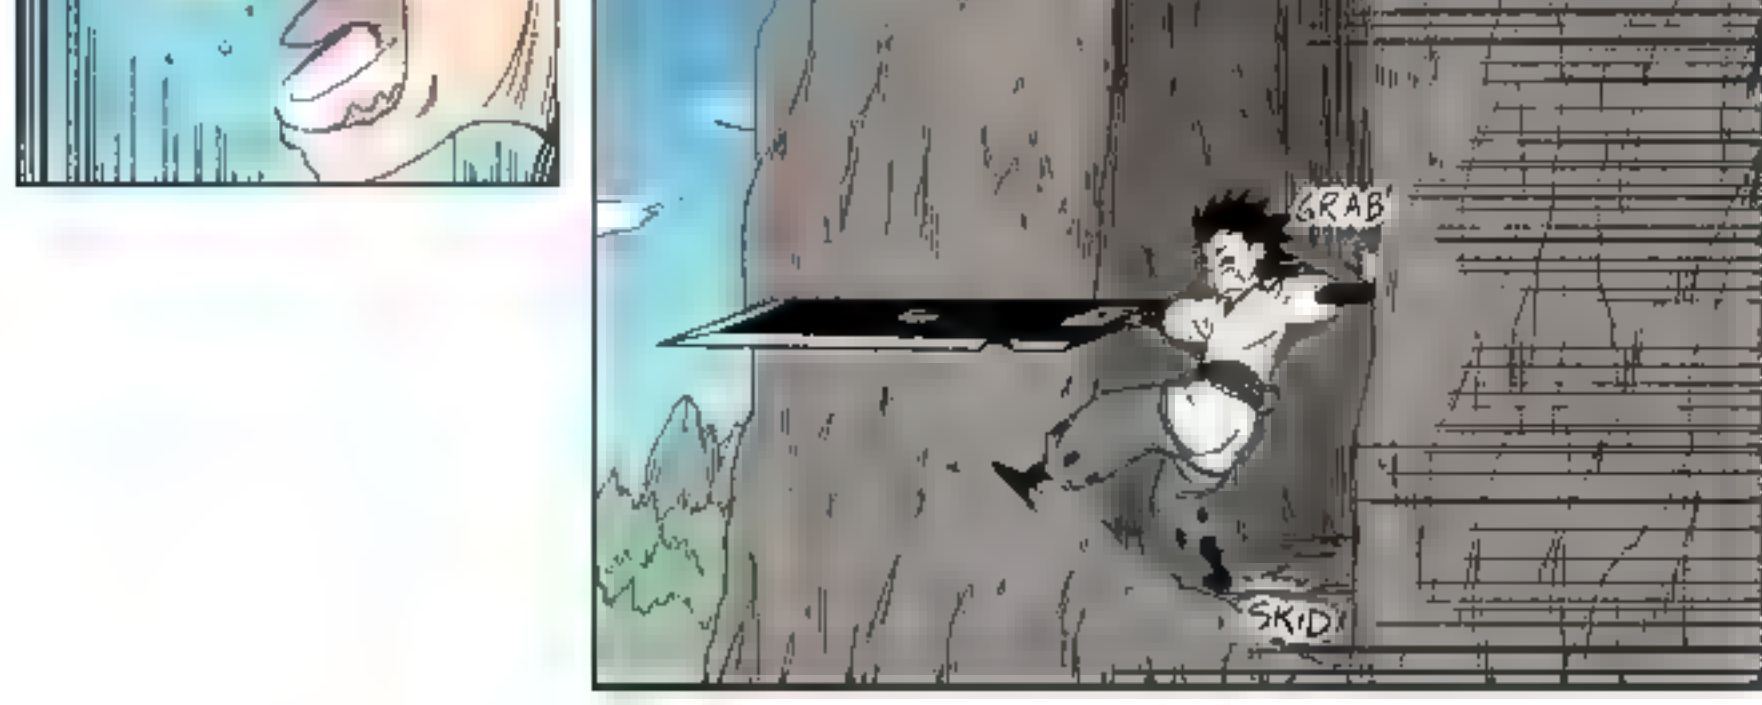

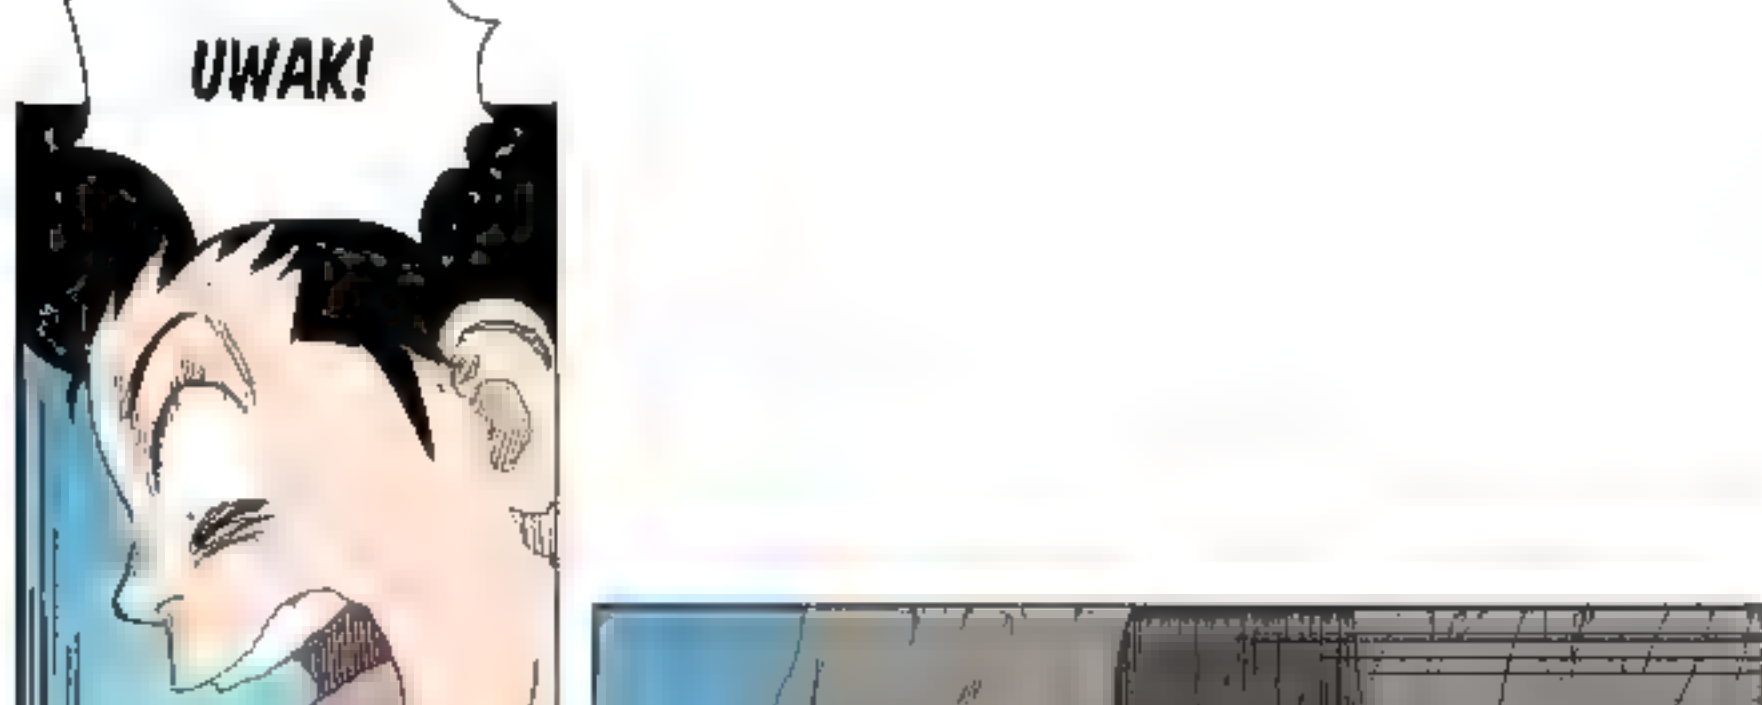

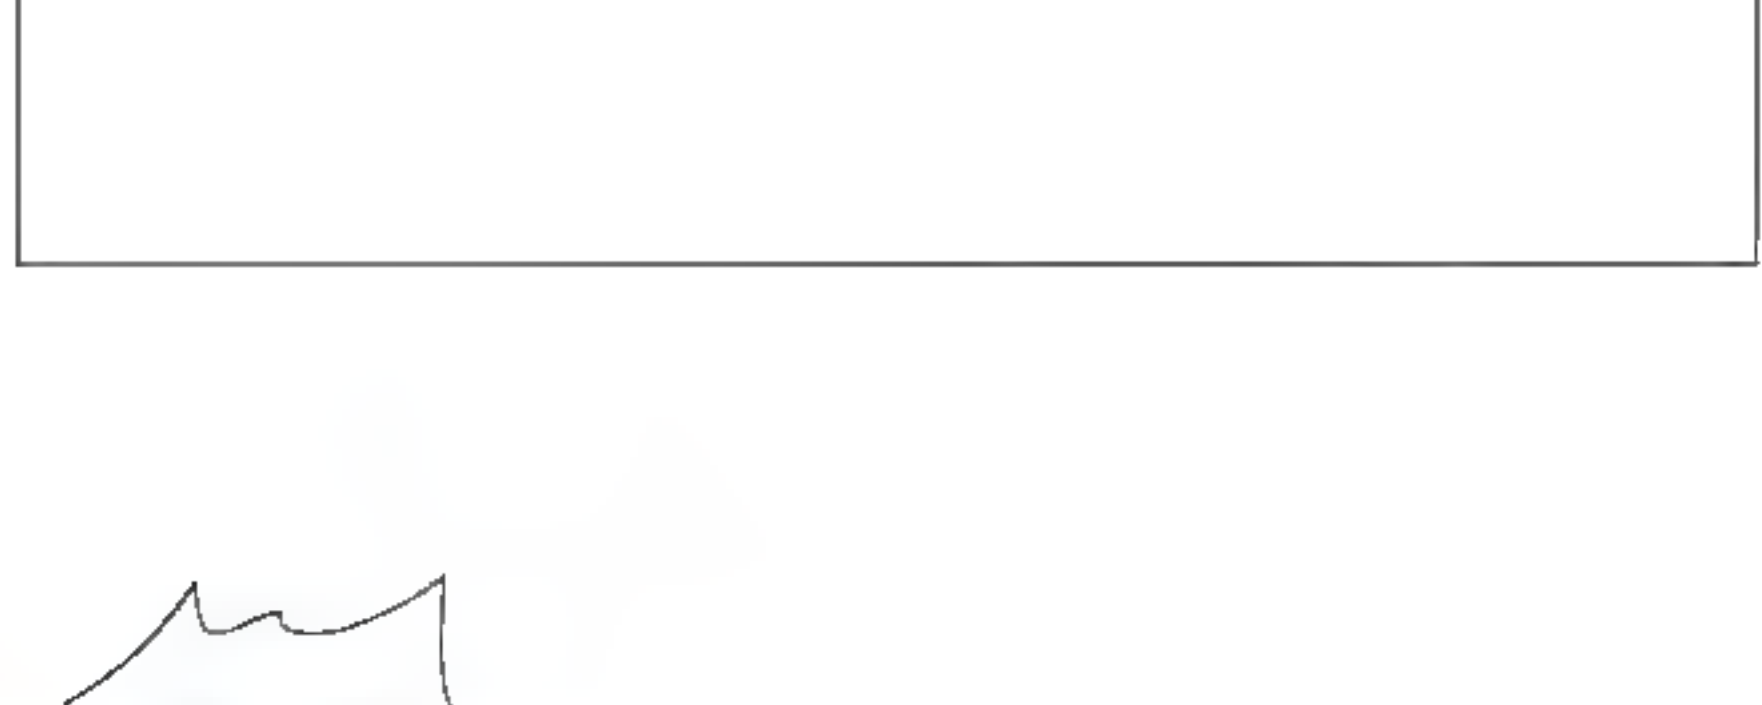

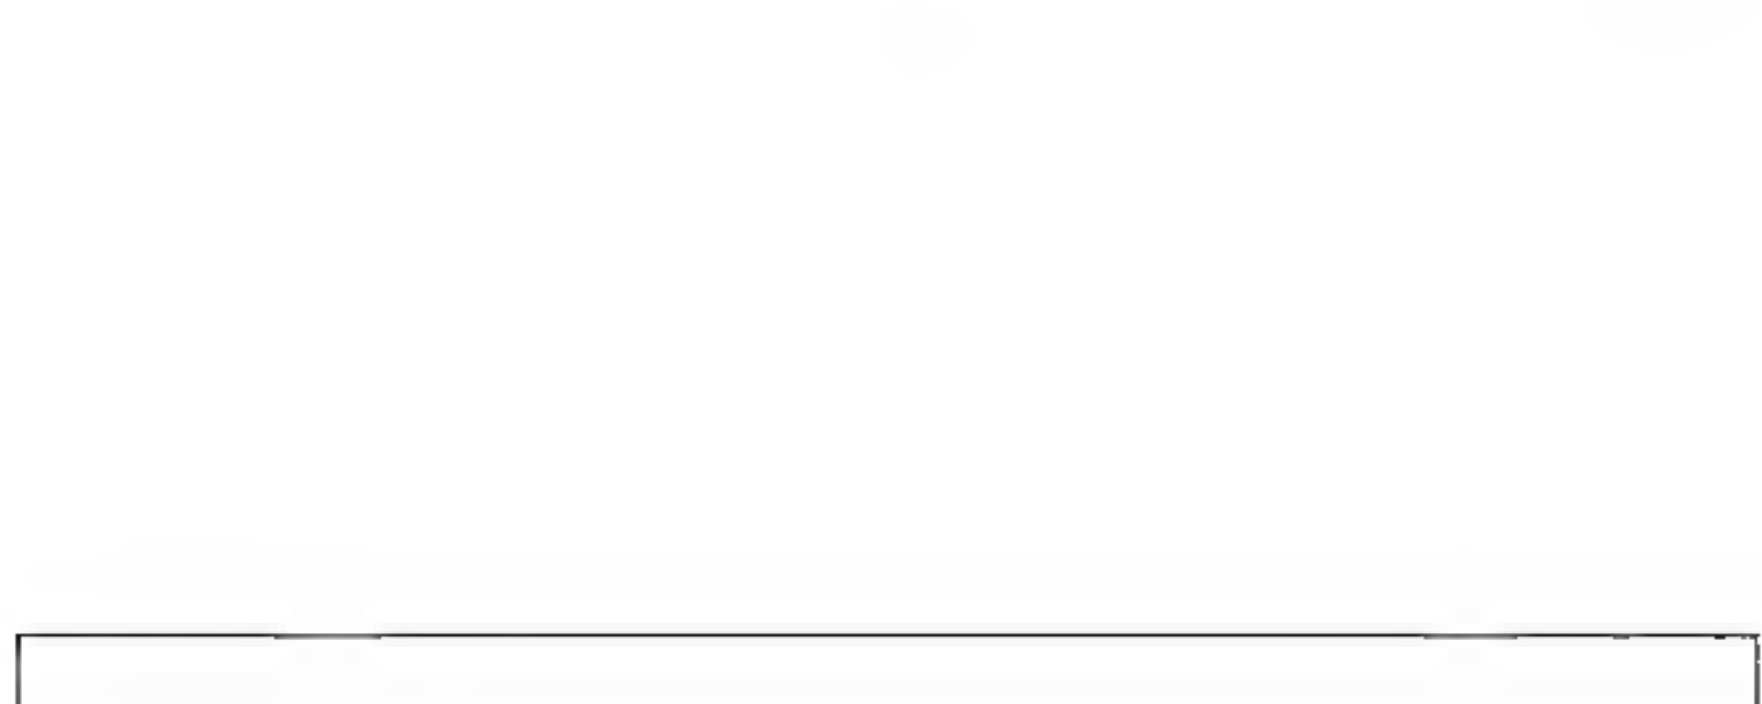

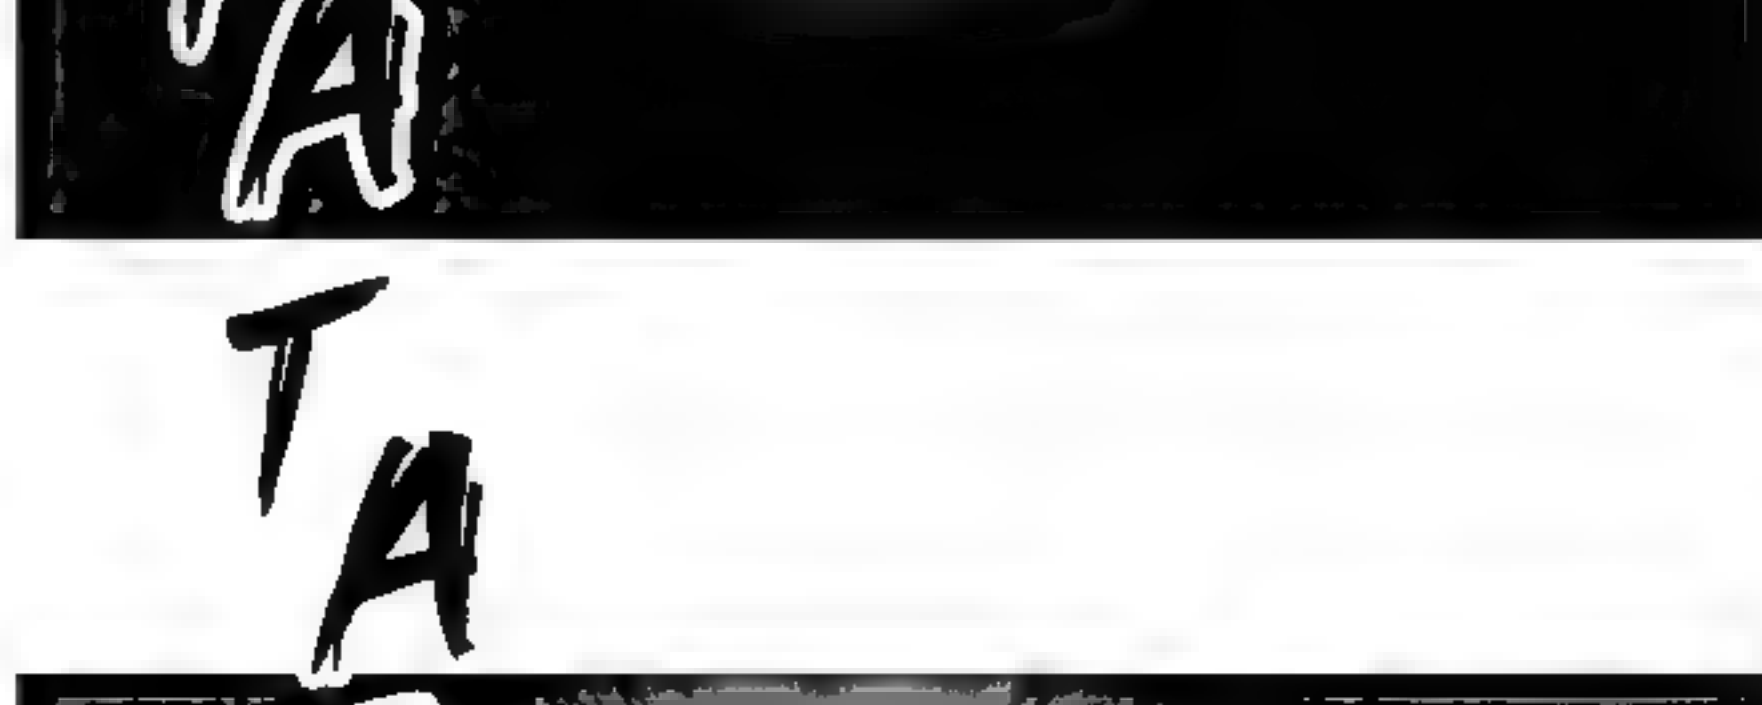

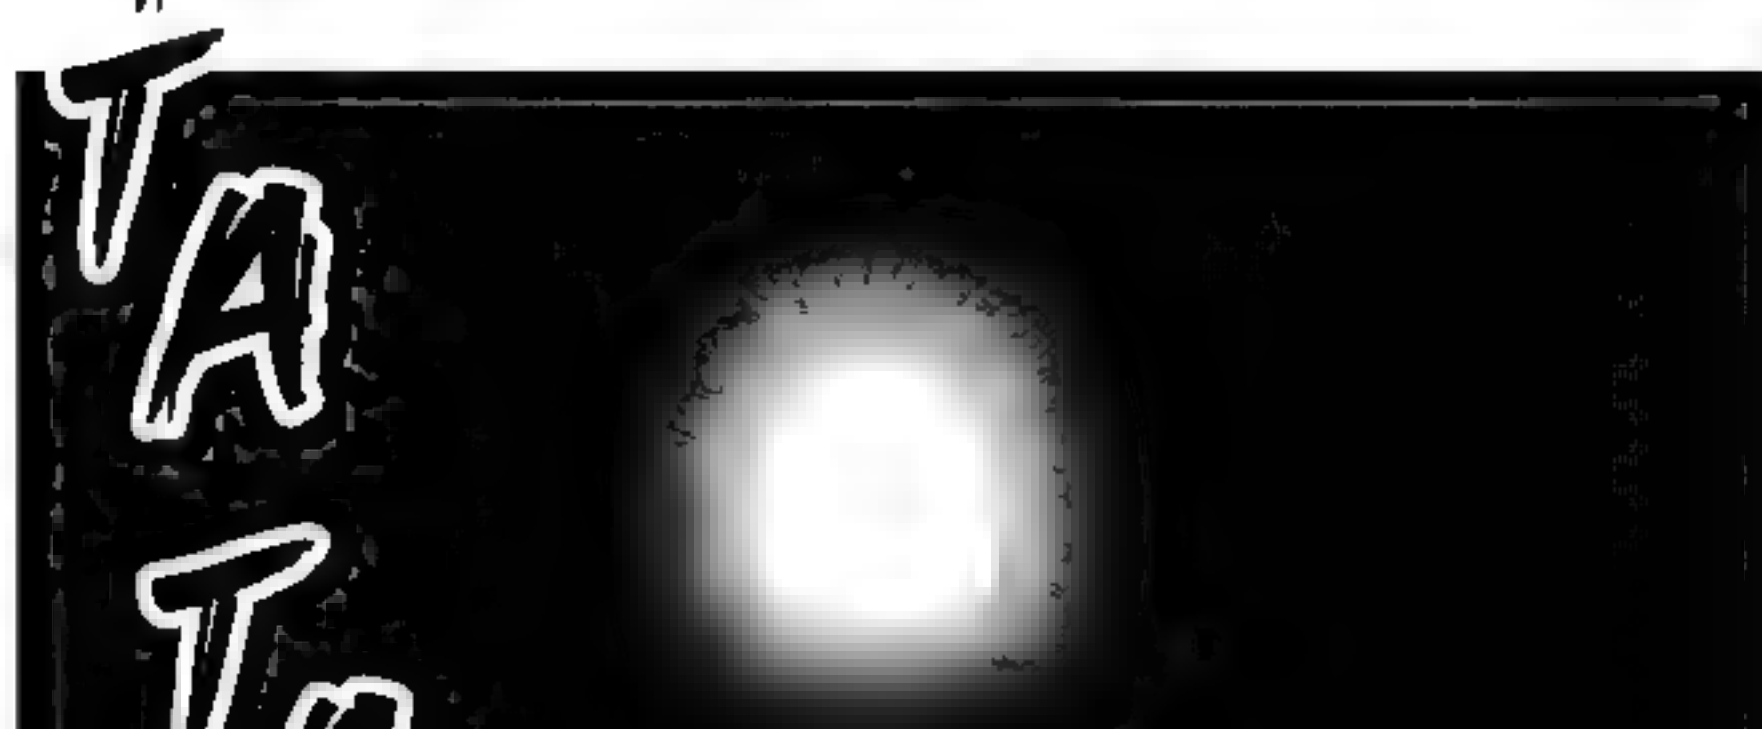

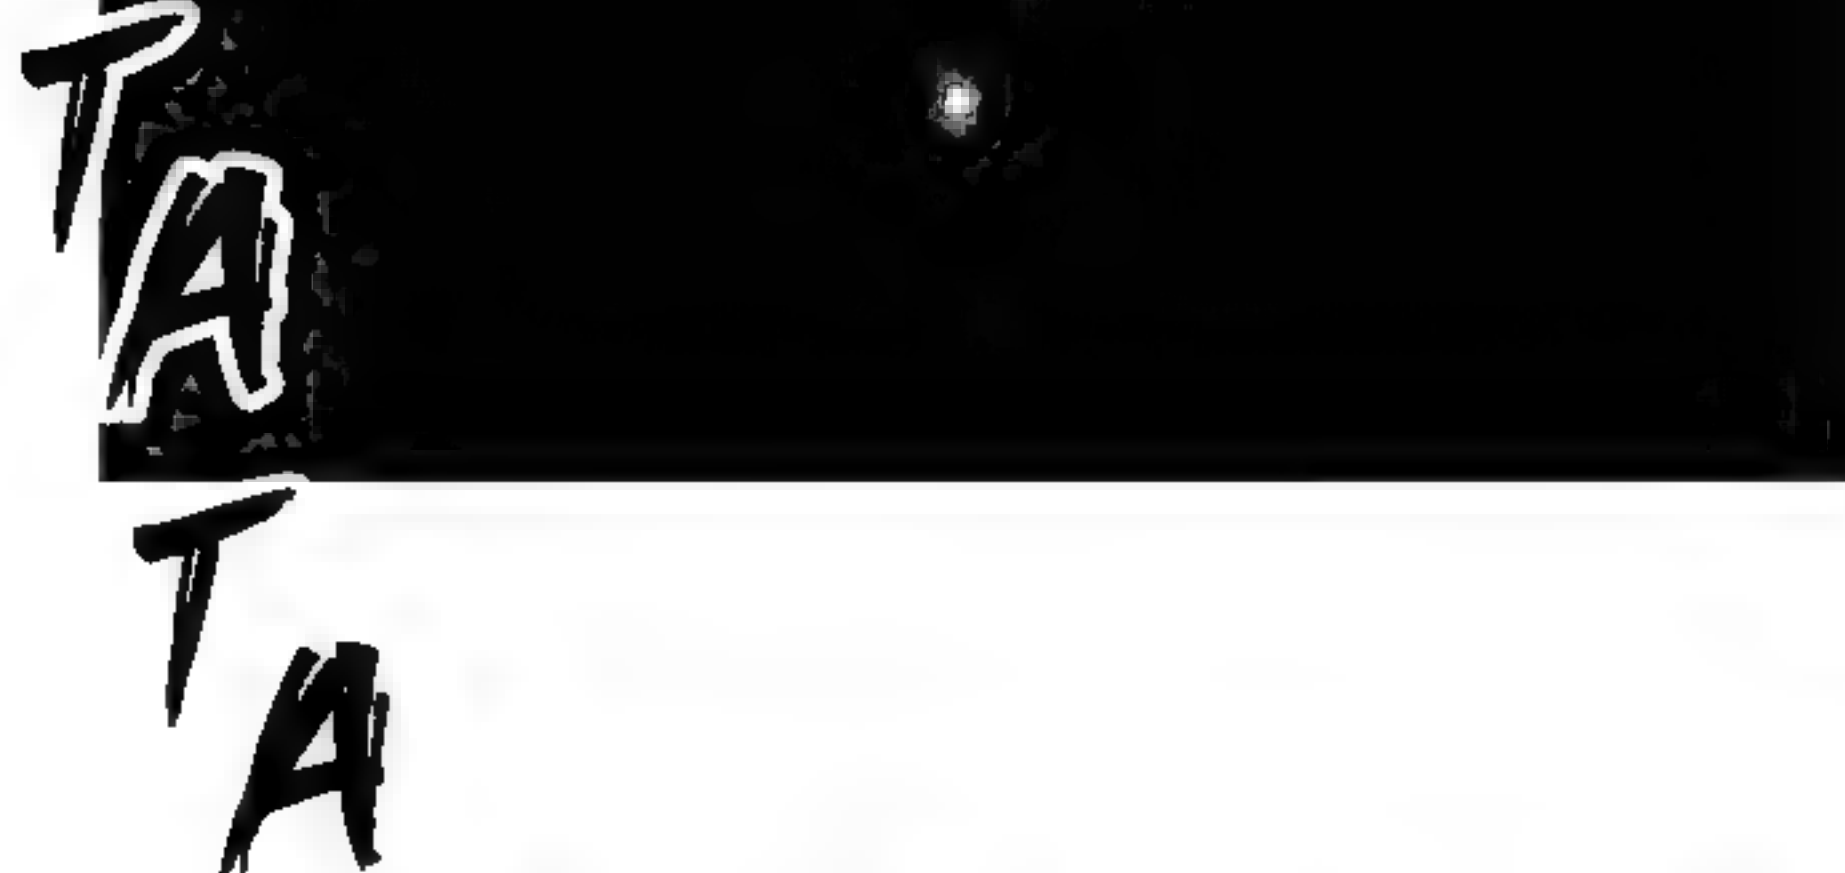

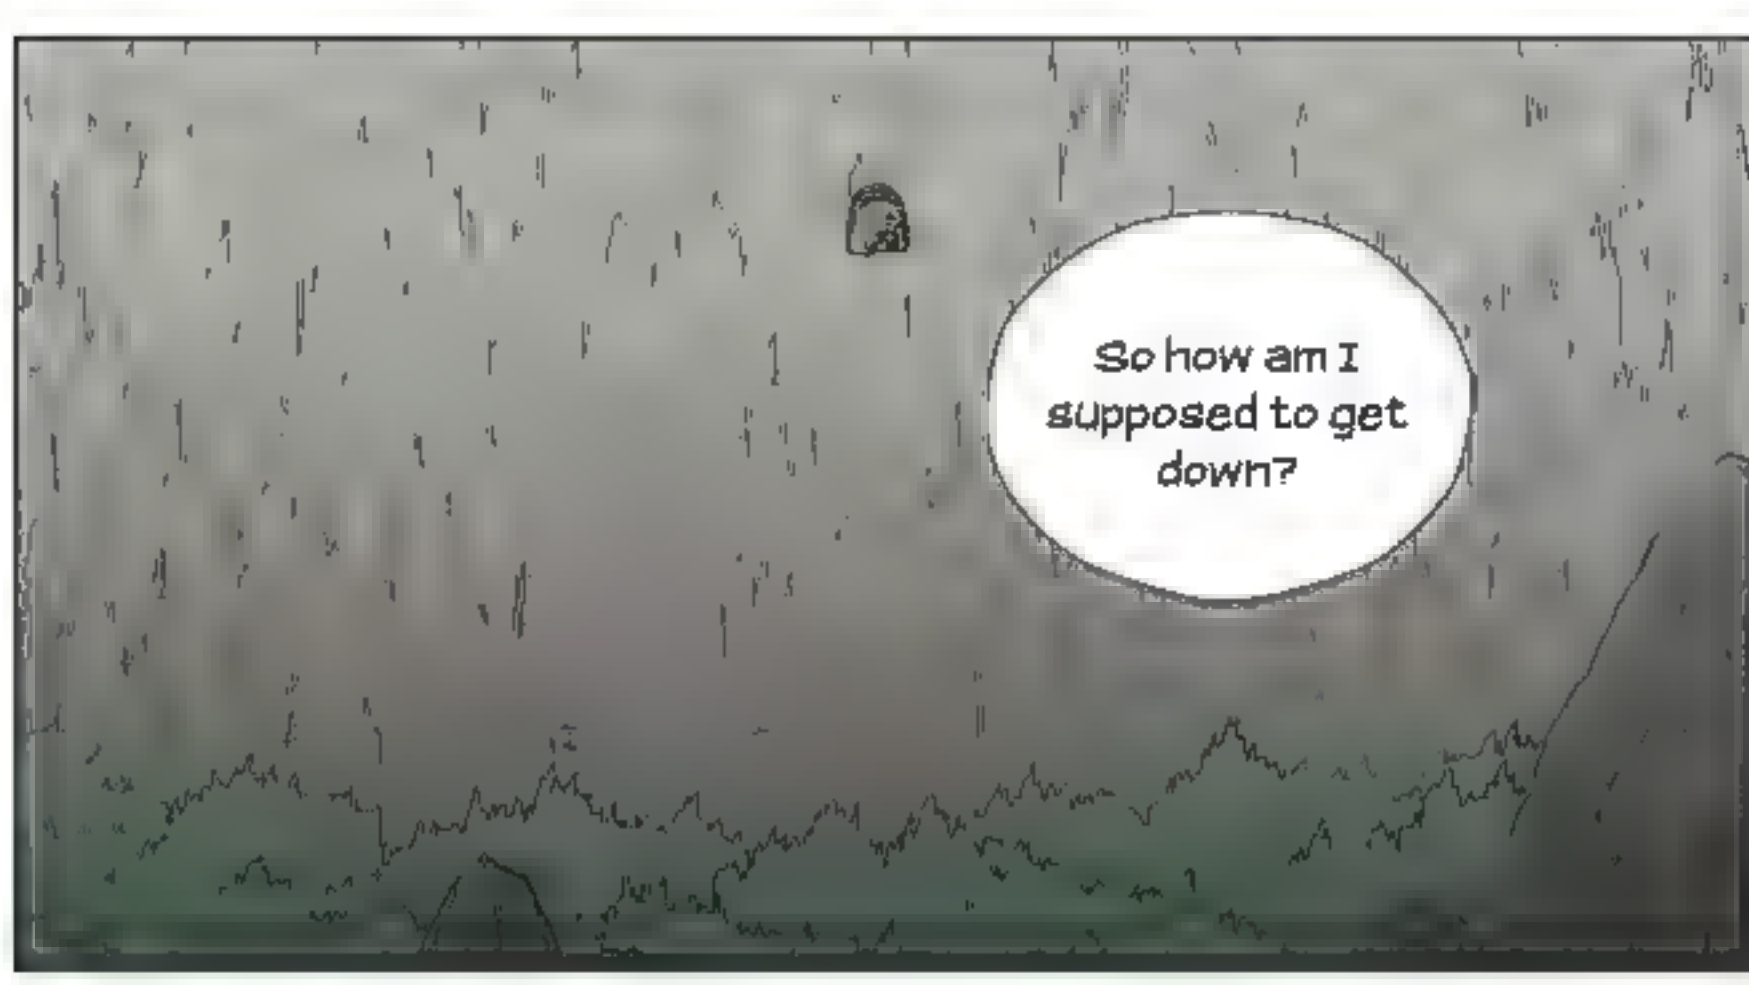

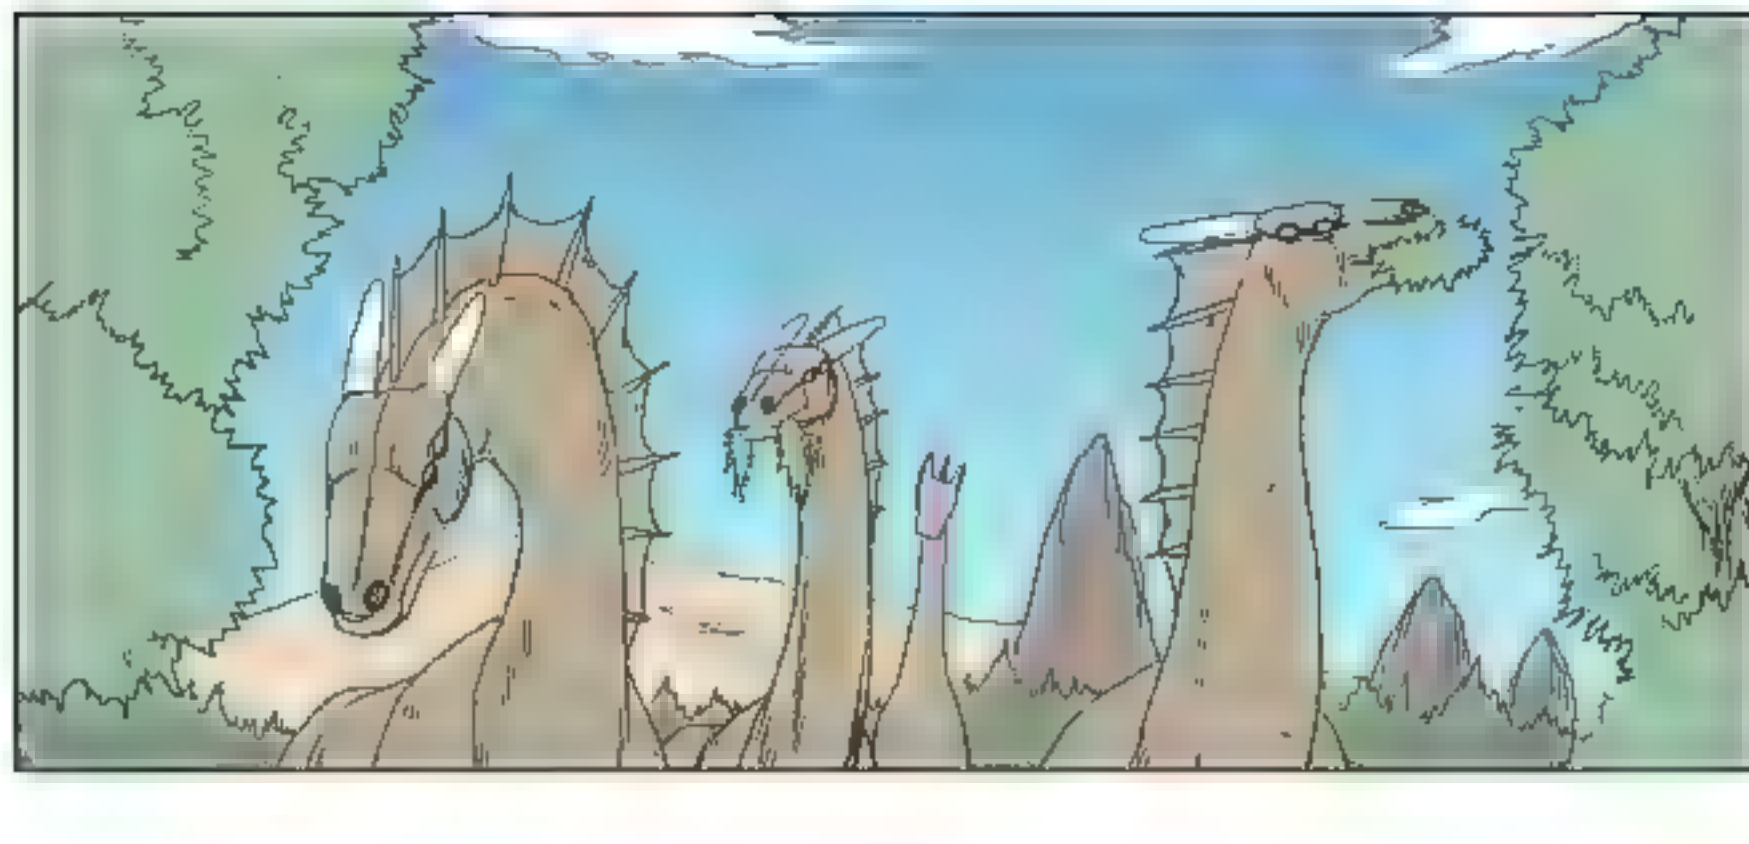

the pain... is
disappearing.

When I escape, I'll feed you until your tummy bursts

TLN: HE'S REFERRING TO THE ROASTED DOG THAT HE ATE, WHICH IS TRADITIONALLY CONSIDERED AS FOOD THAT IS GOOD FOR THE BODY/HEALTH. WE EAT DOGS BUT WE ARE NOT FREAKS. IT'S A CULTURAL DIFFERENCE

chapter 17

The Sand Dragon expanded its territory

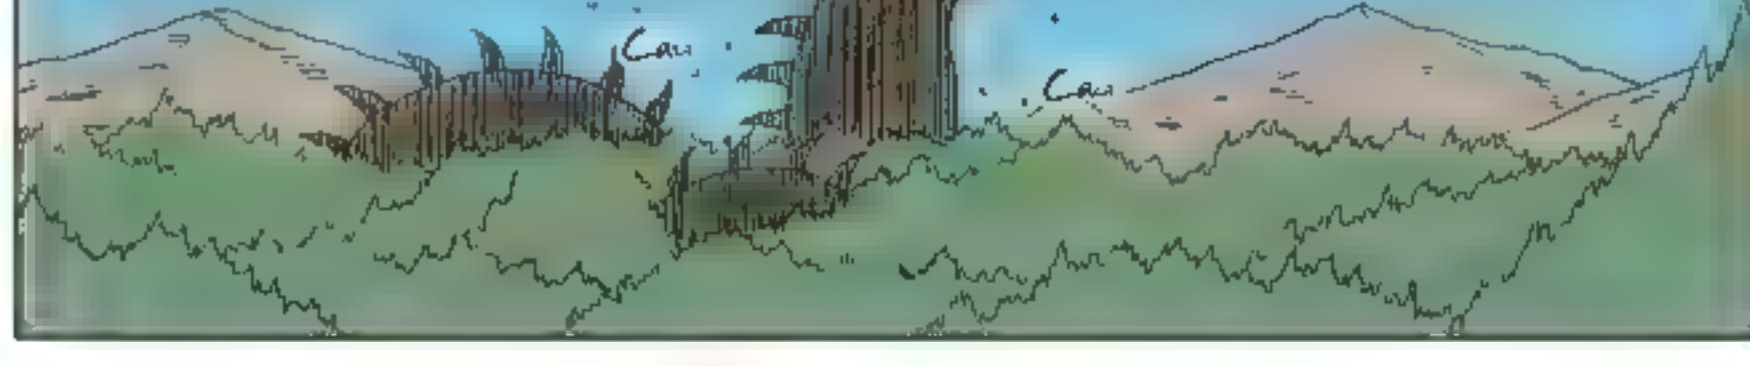

So the weaker beasts were pushed out.

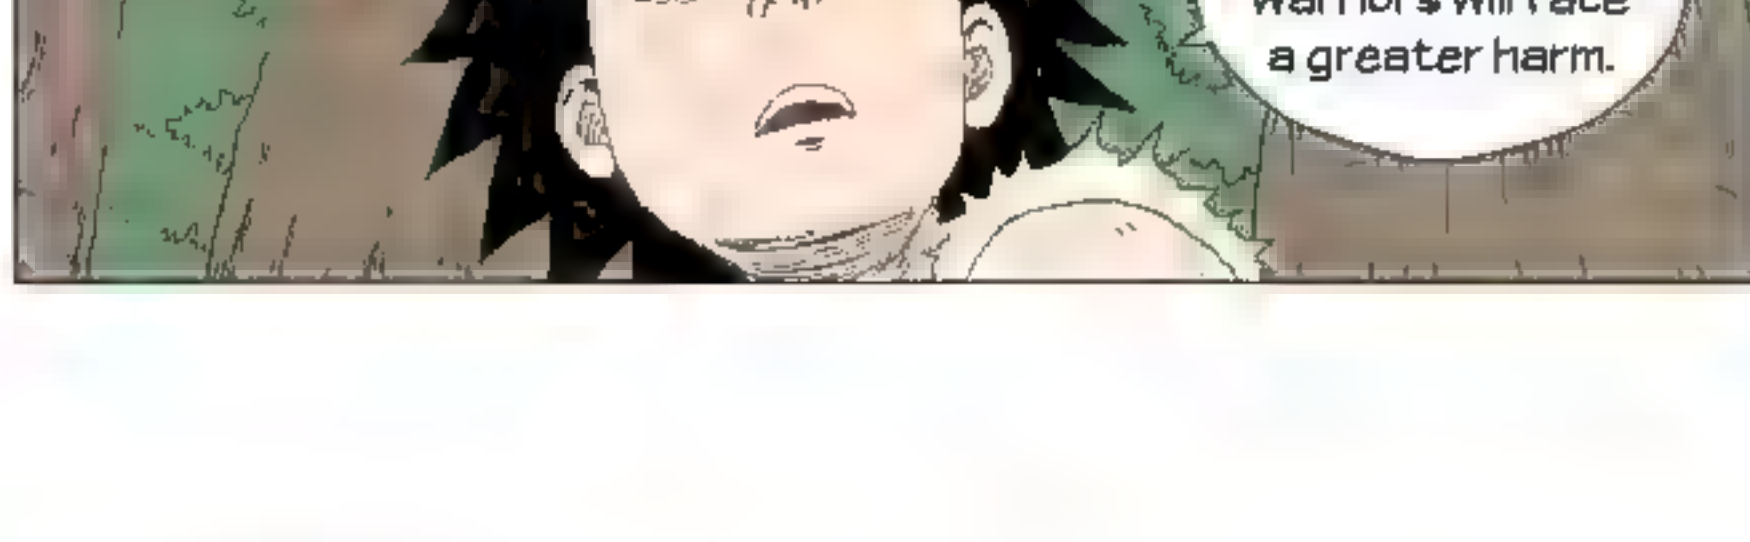

If this continues, the Field of Magical Beasts will grow even larger.

KWEEK

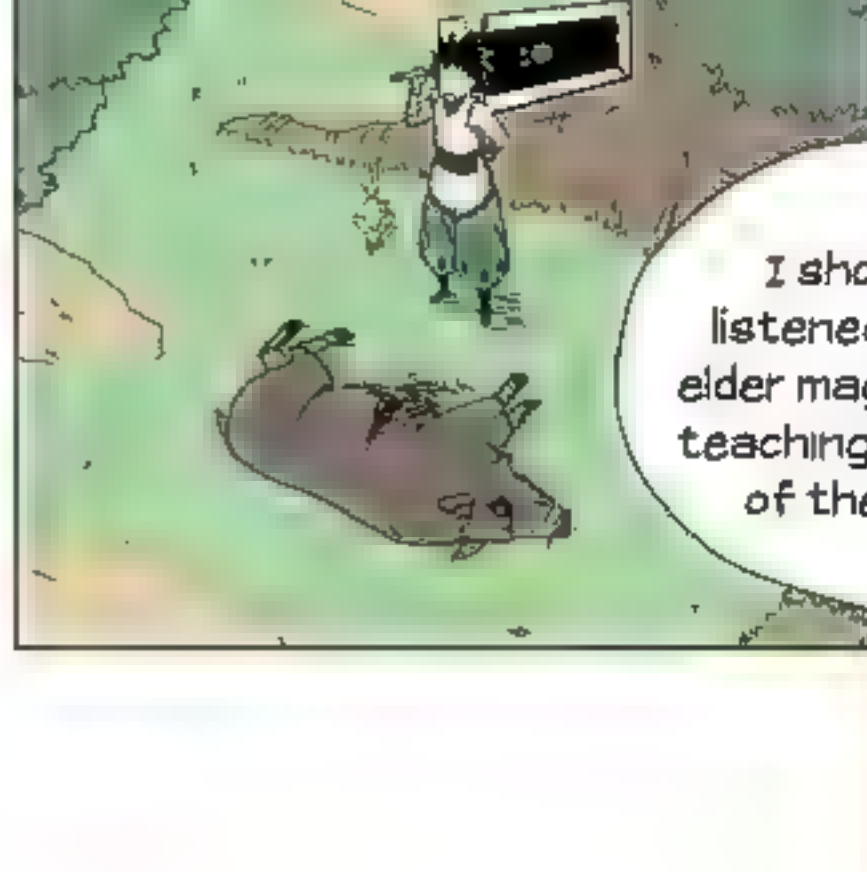

Did the population grow larger?

If that's the case, the warriors will face a greater harm.

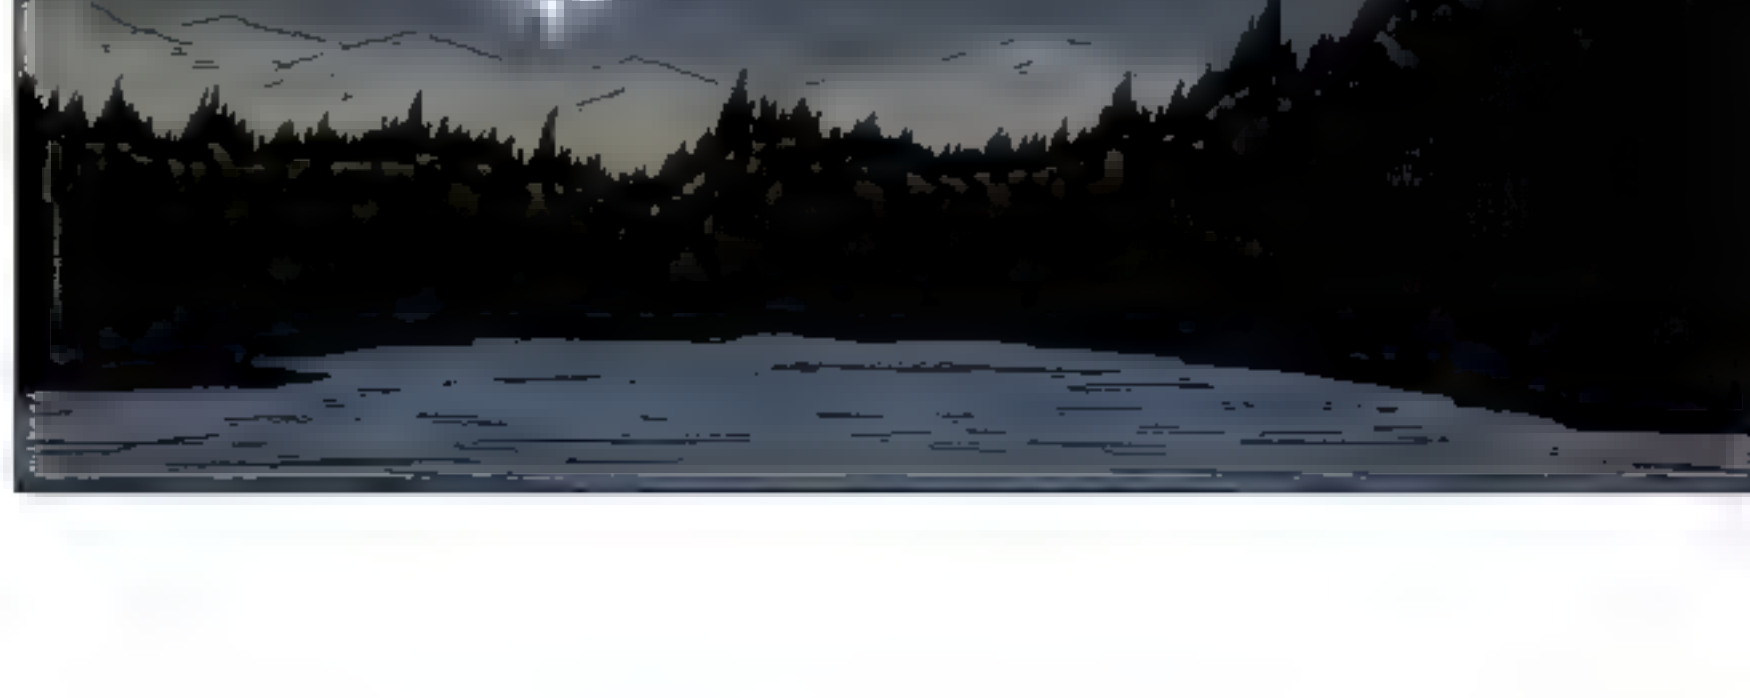

Anyways, which direction is the way out?

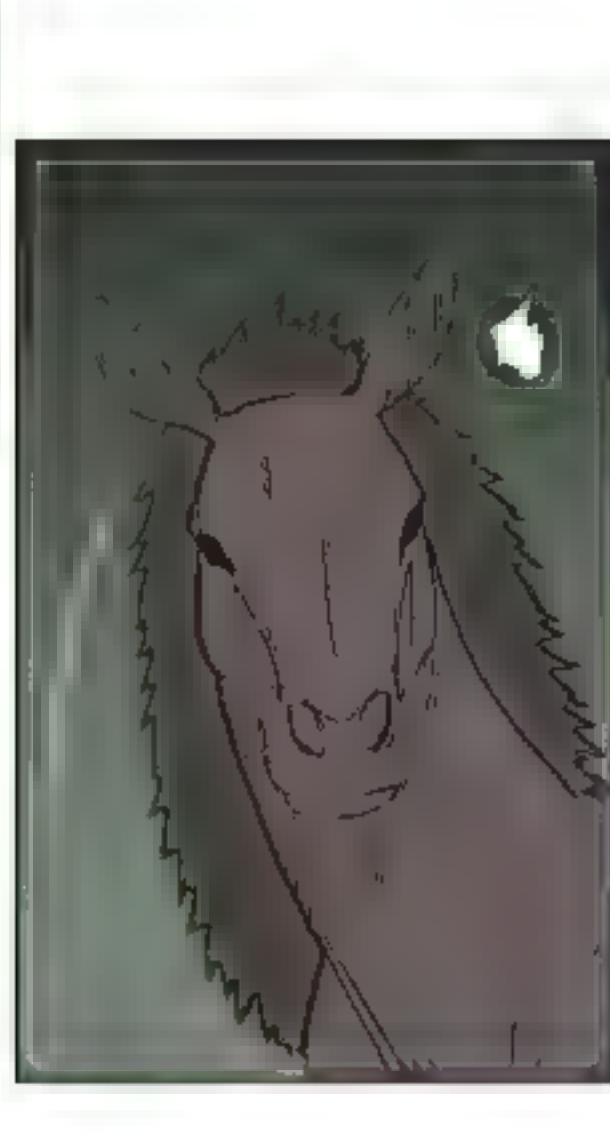

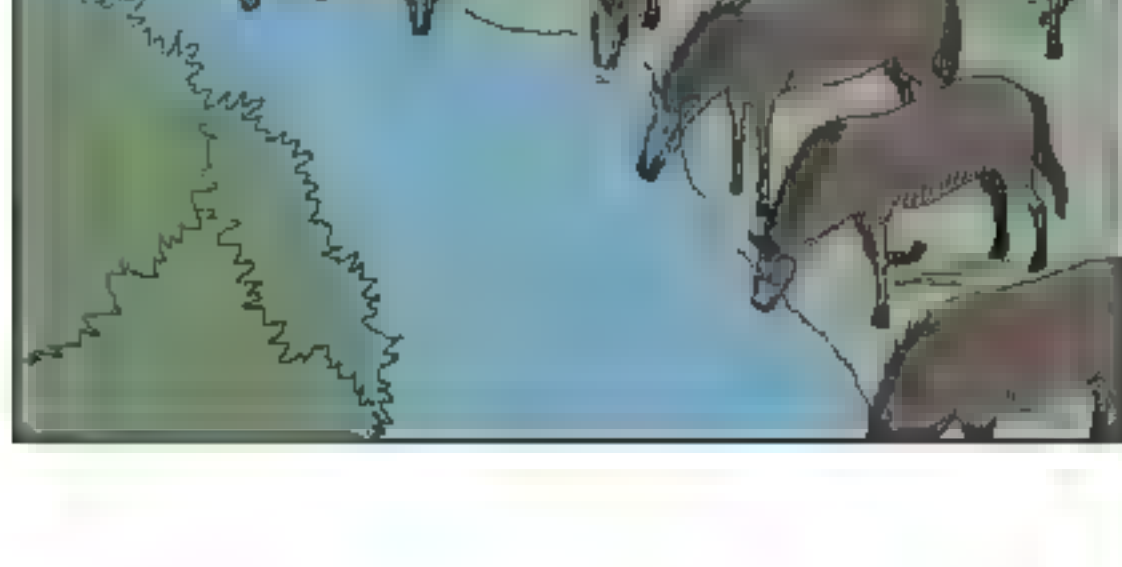

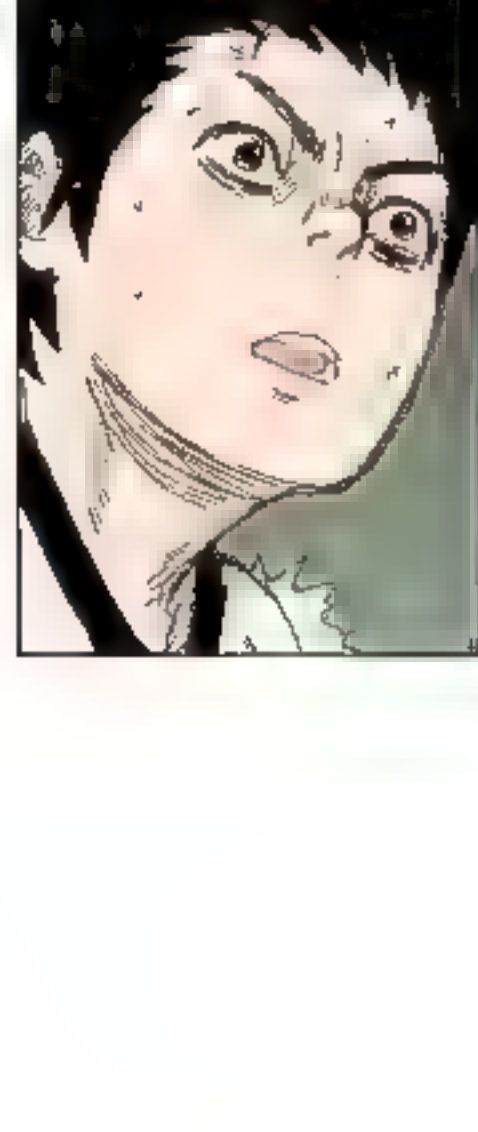

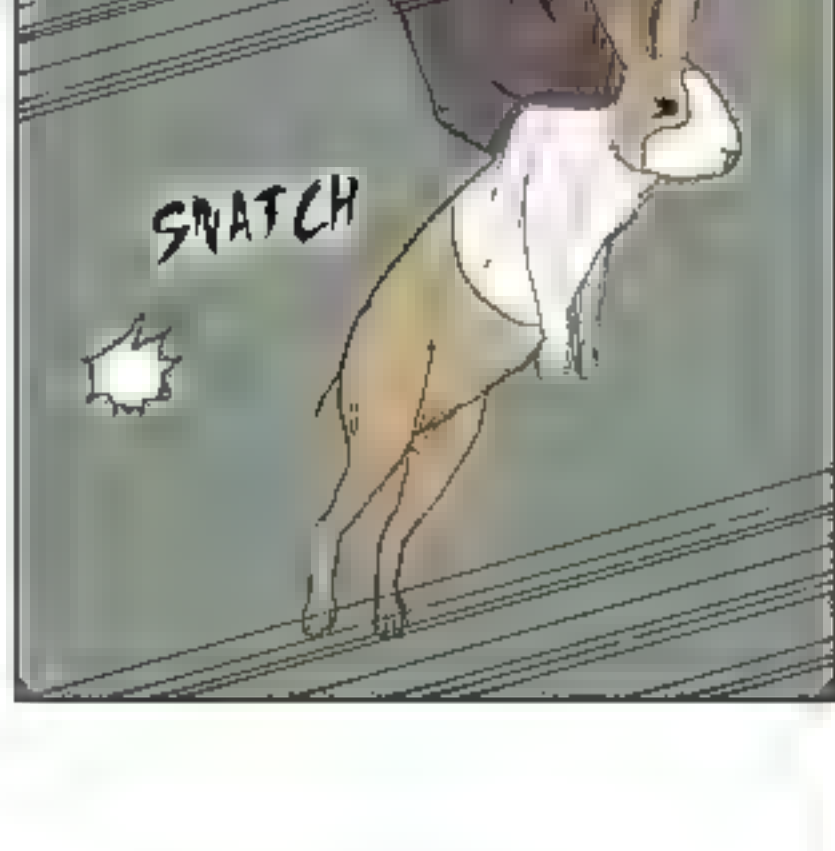

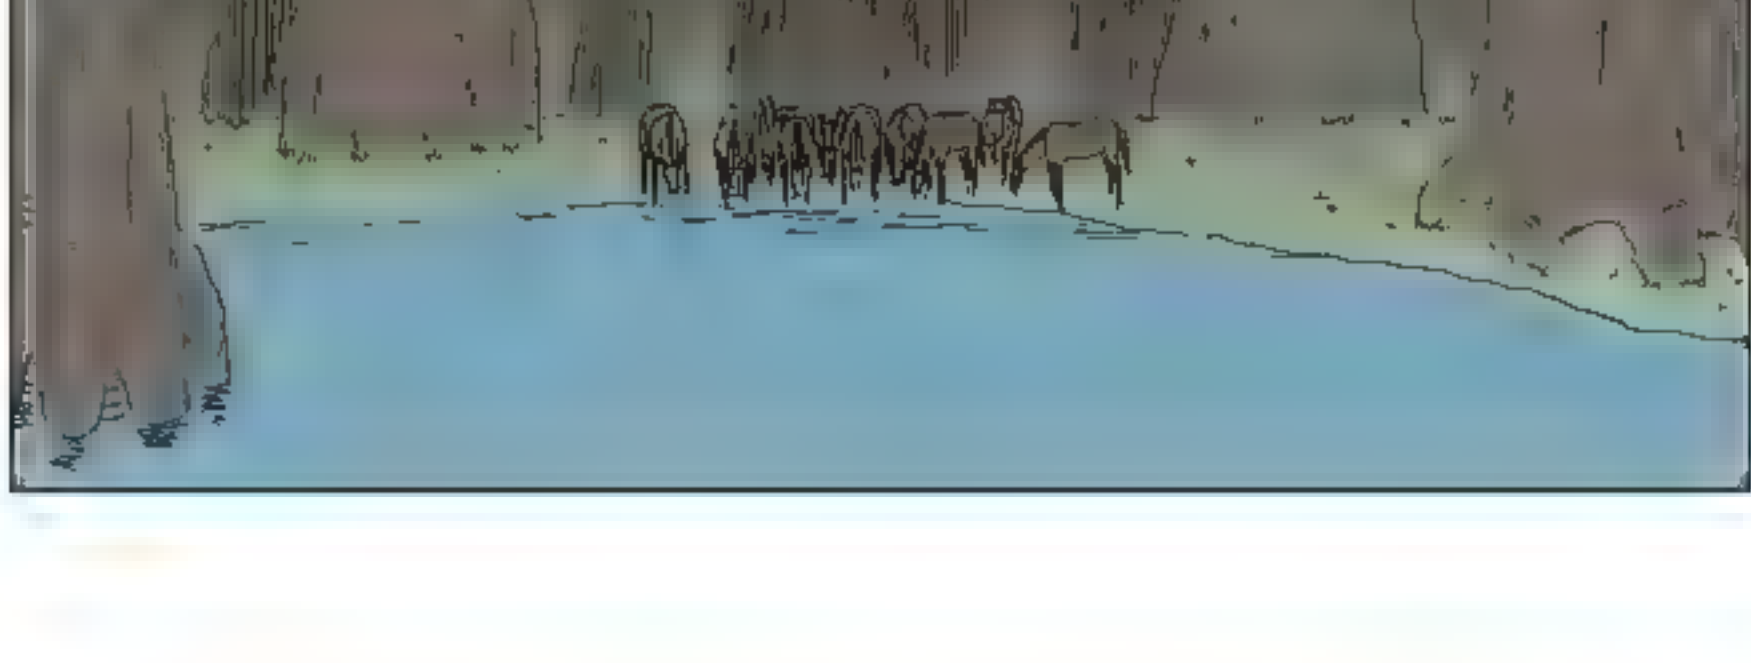

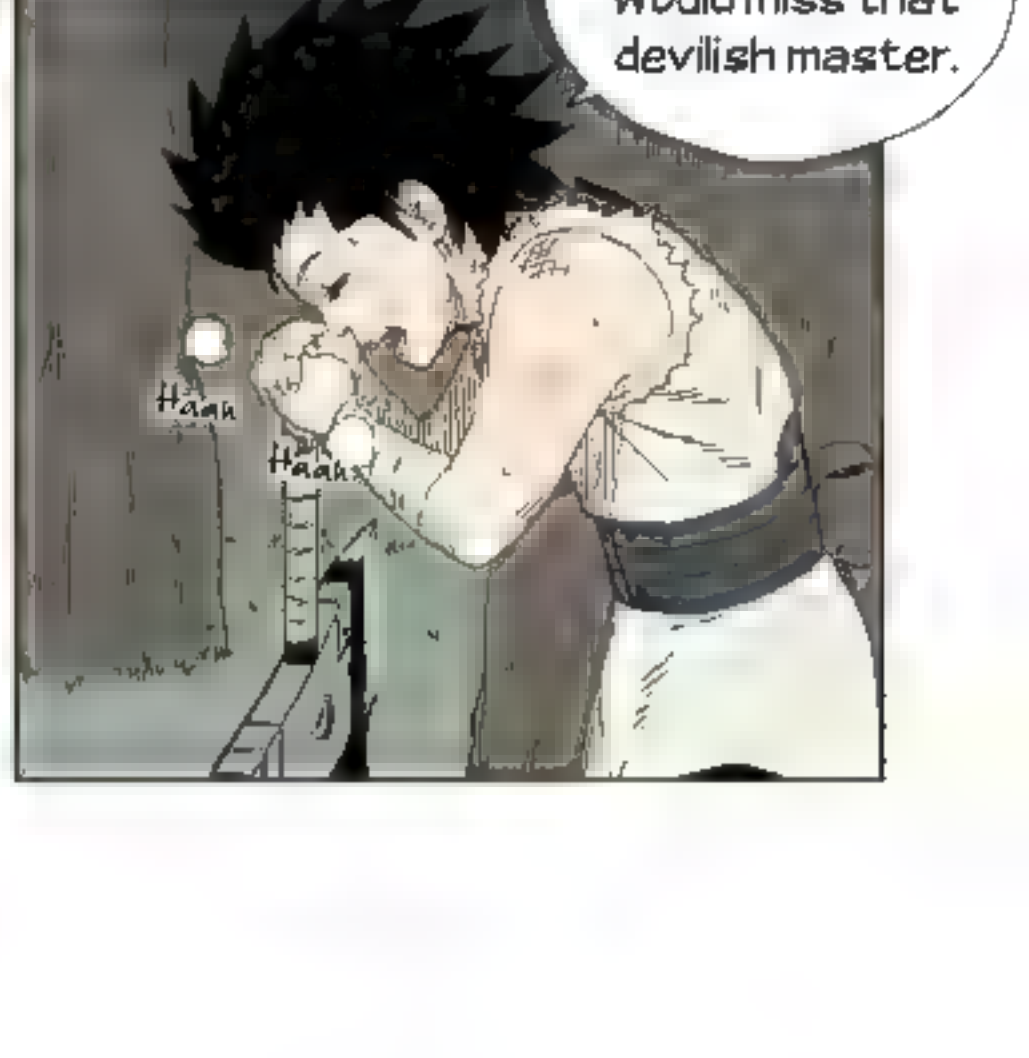

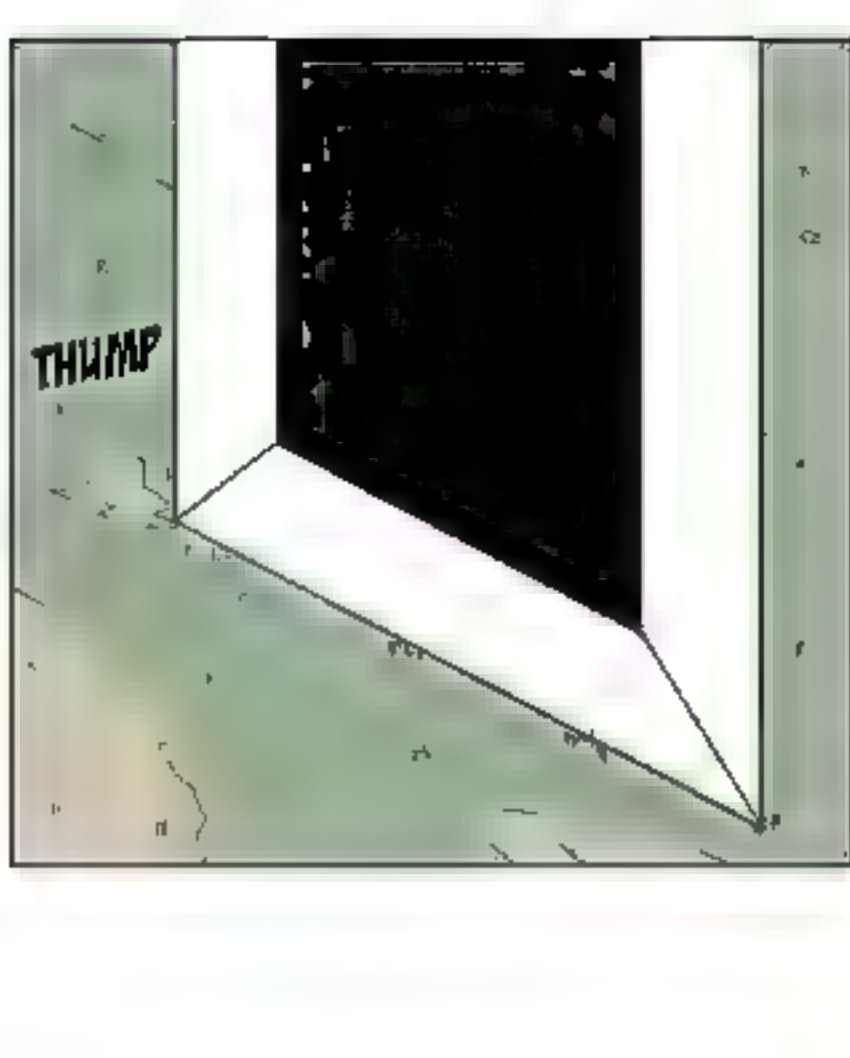

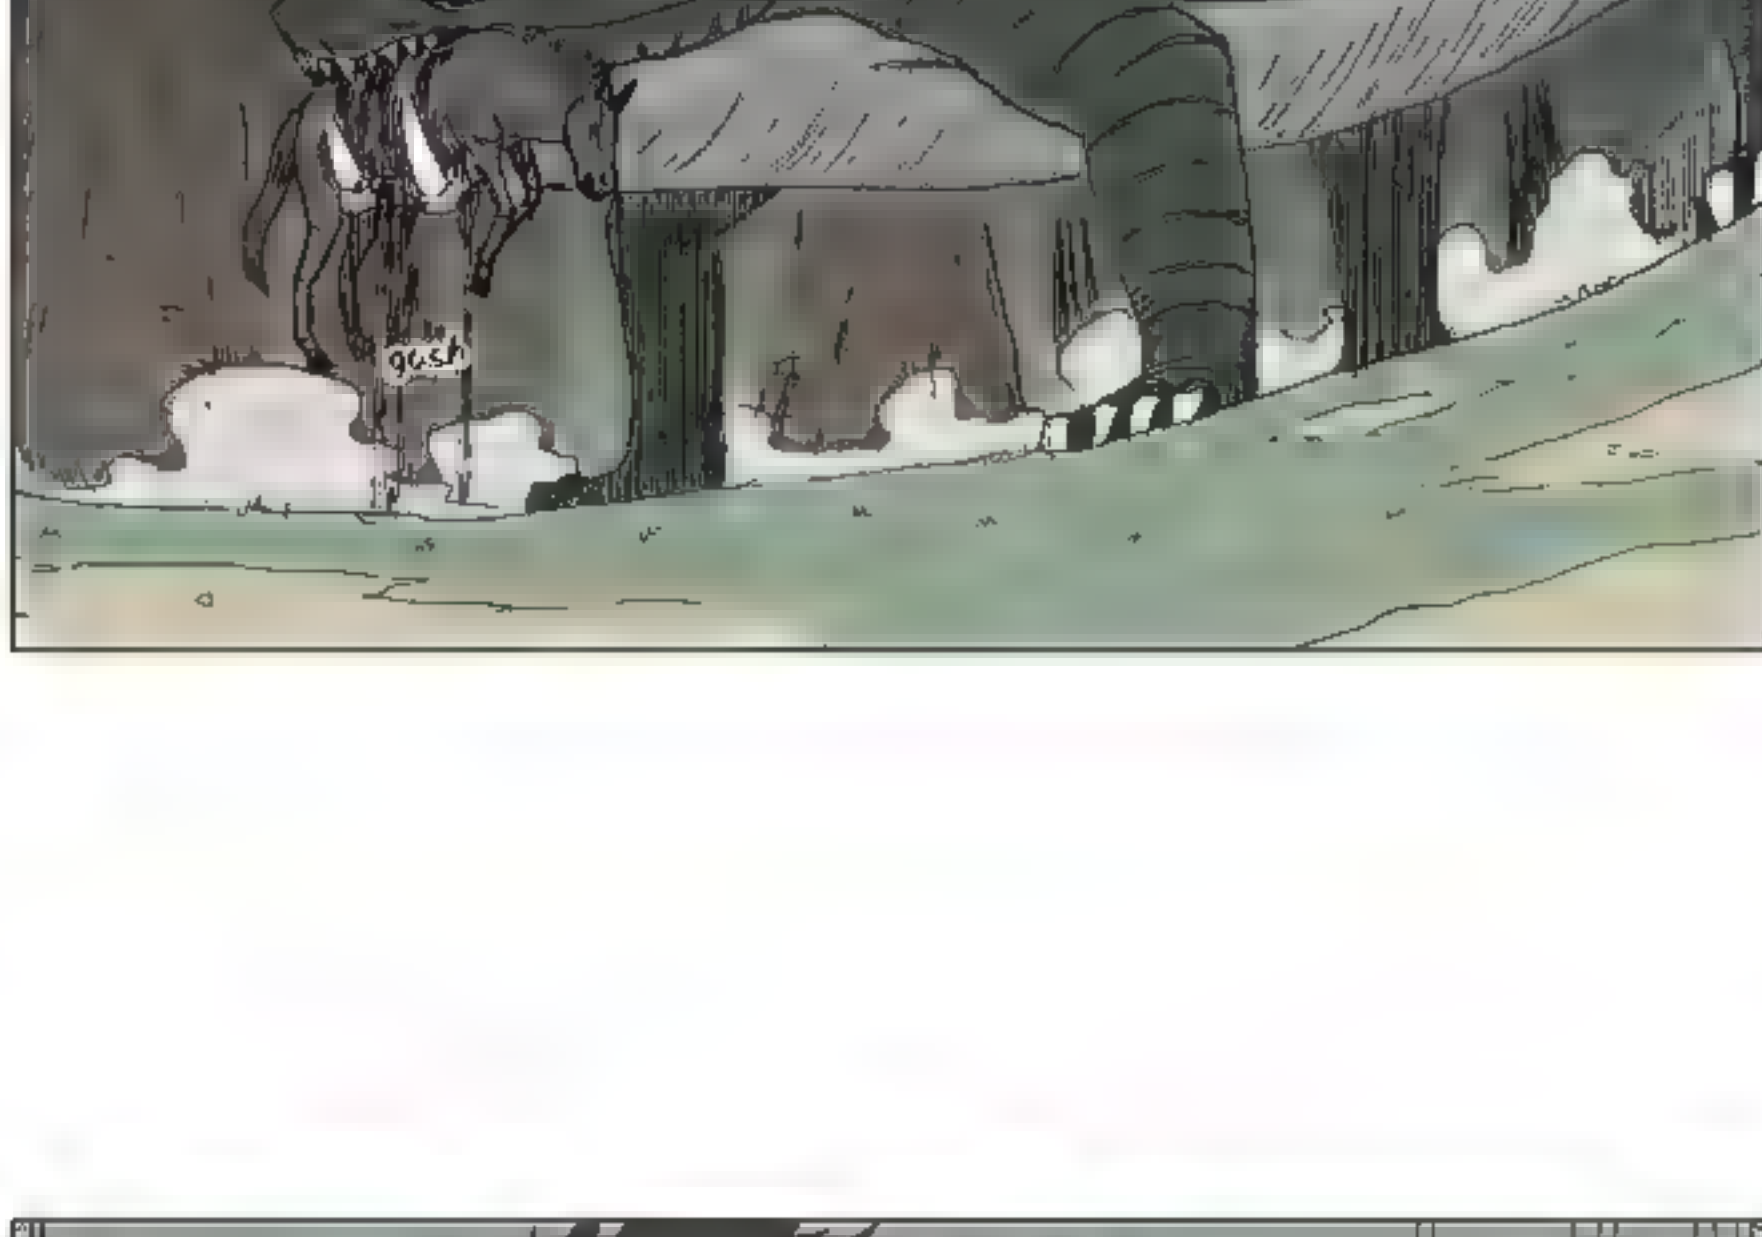

I should have listened when the elder magicians were teaching the usages of the totems.

It's a relief that you're with me. Thanks.

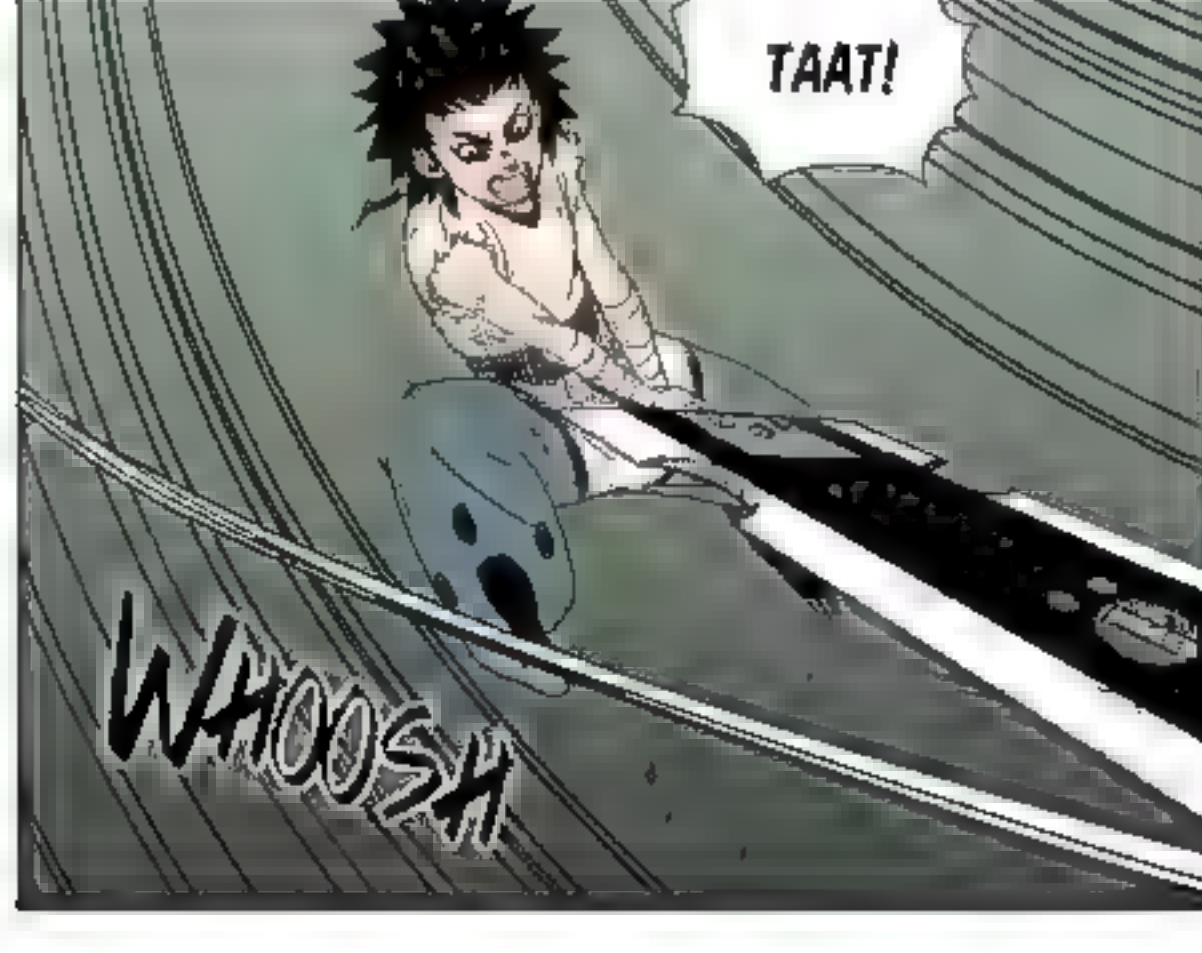

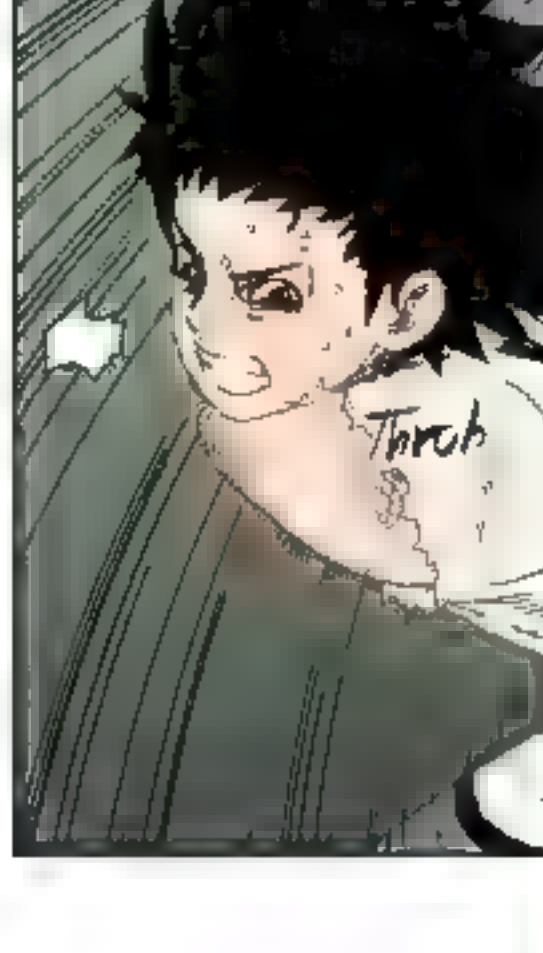

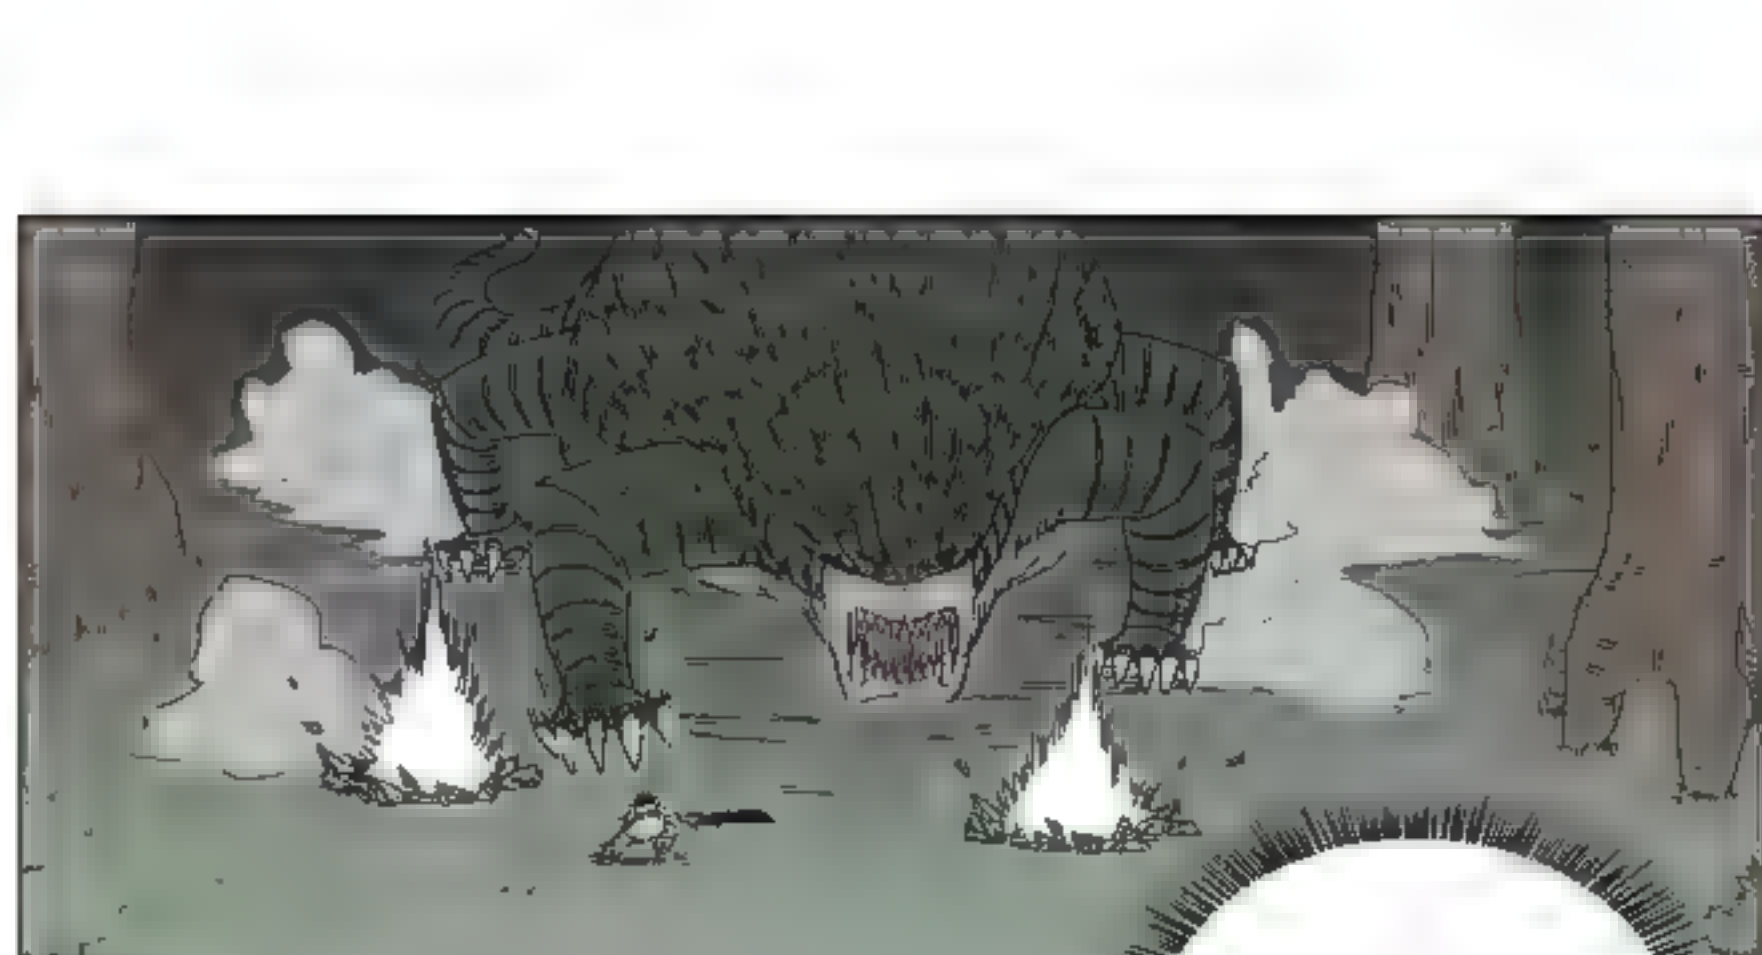

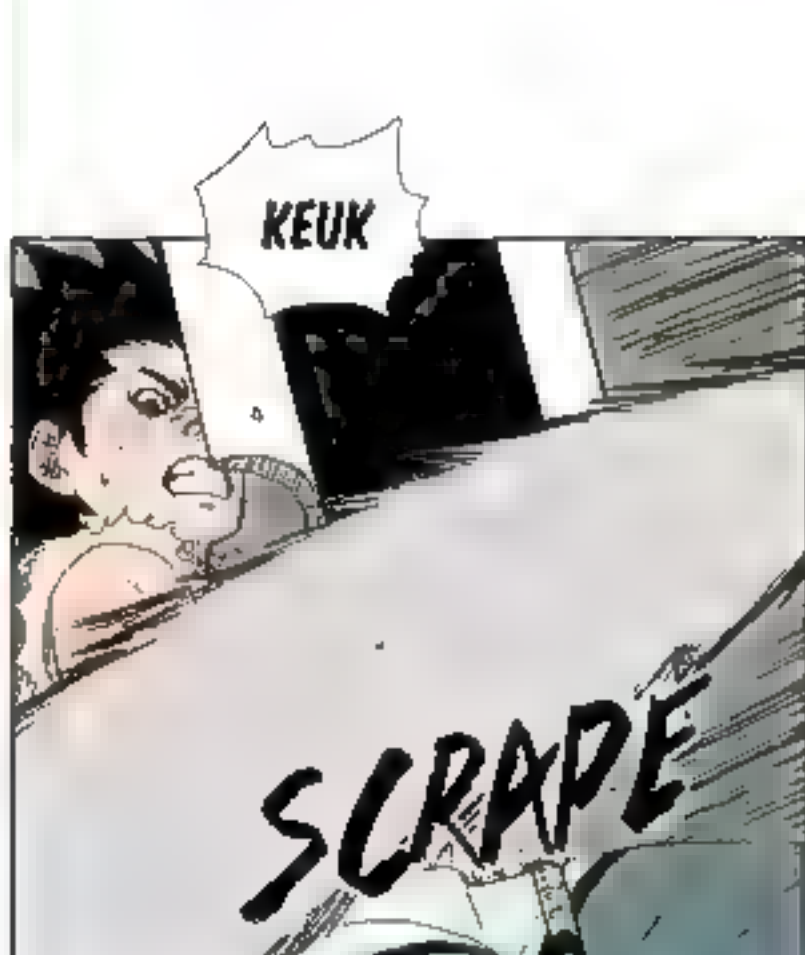

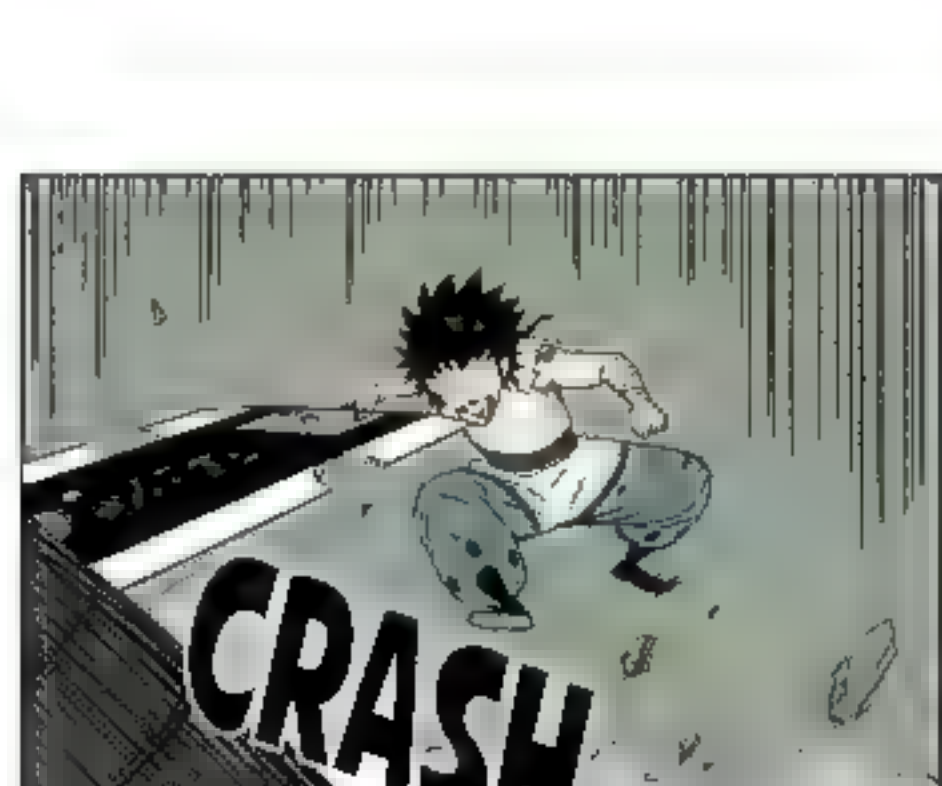

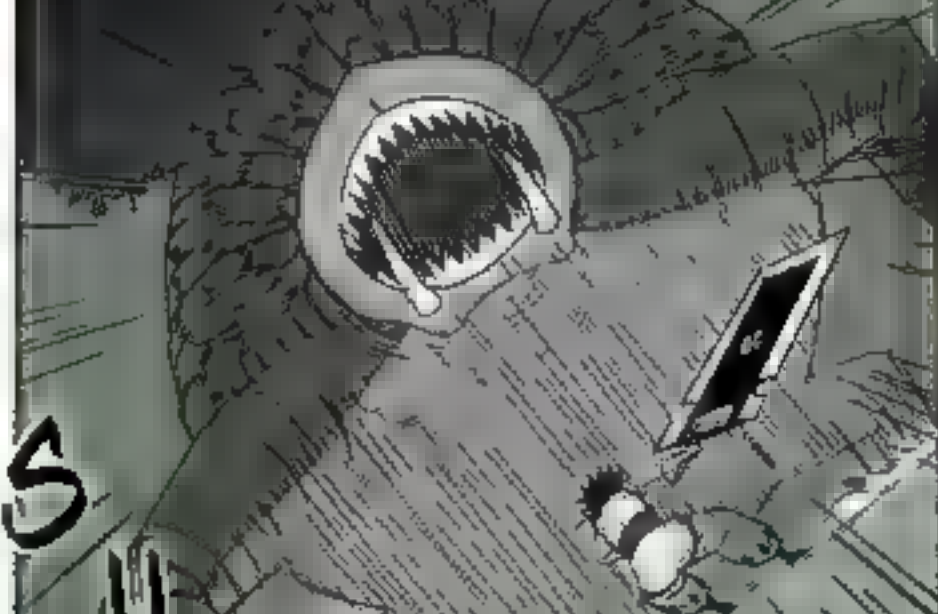

please work.

that wasn't good enough.

shit! is this too much to handle with my injury?

shit, this isn't working.

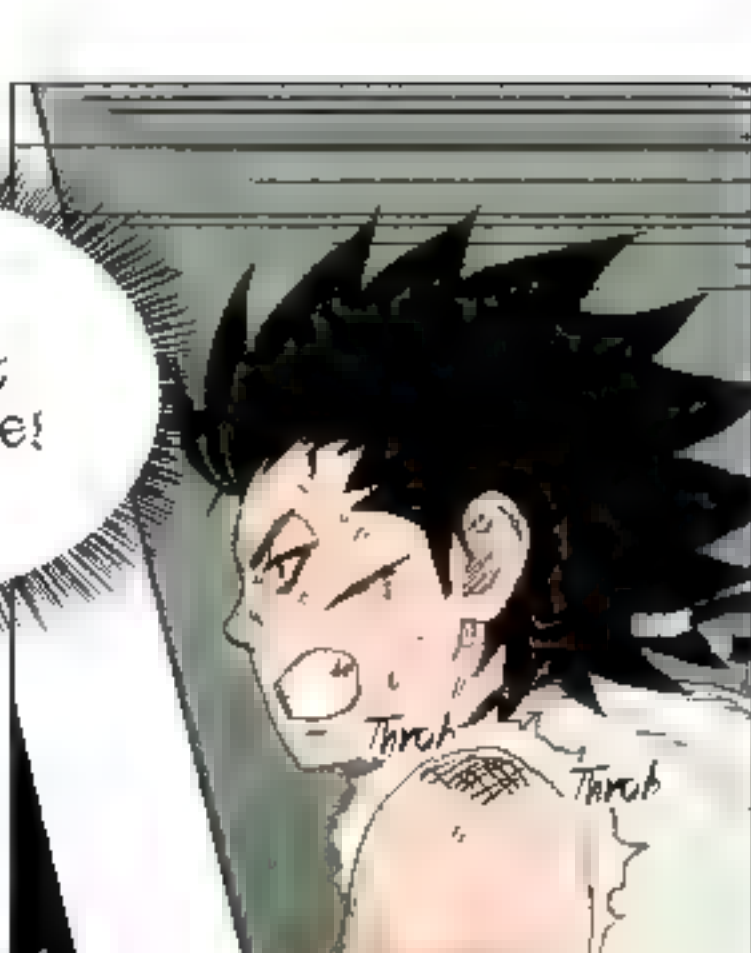

using a counter switch would be pushing it

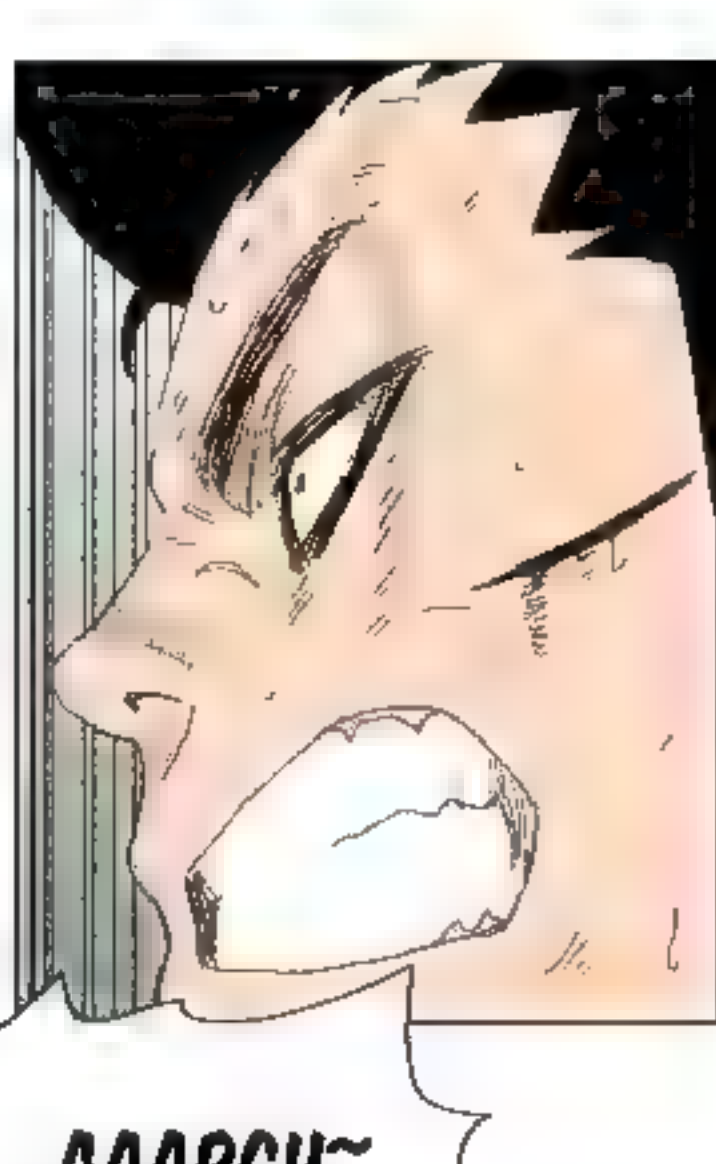

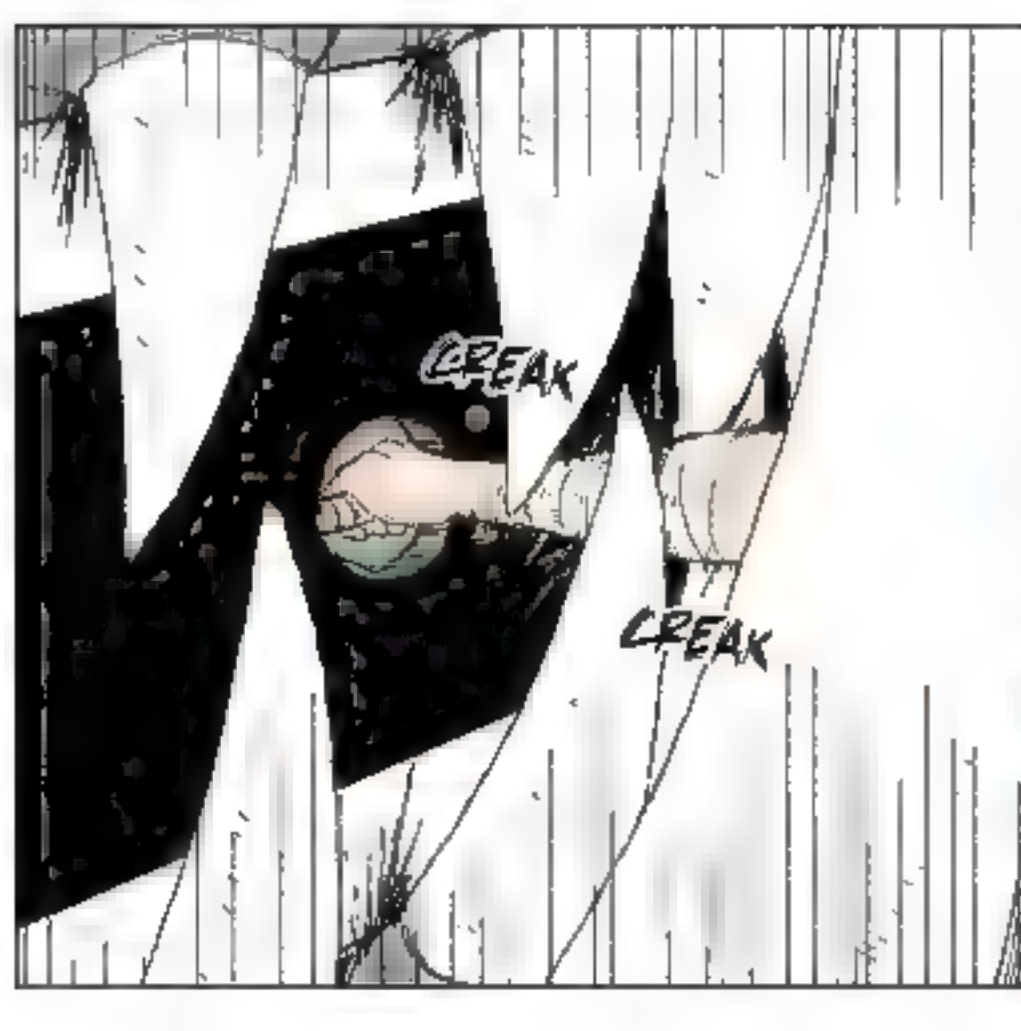

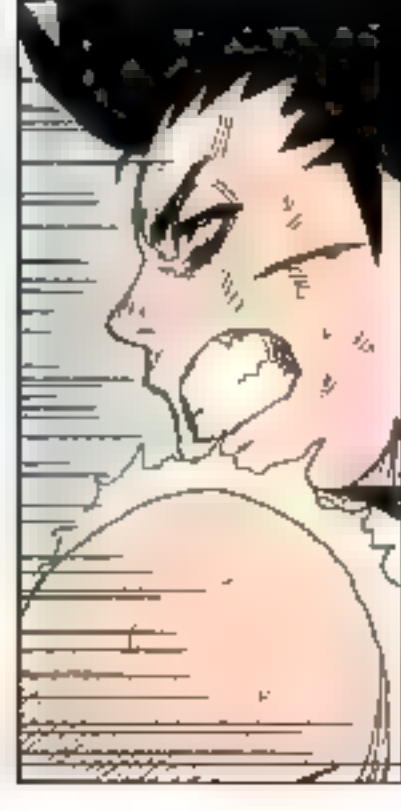

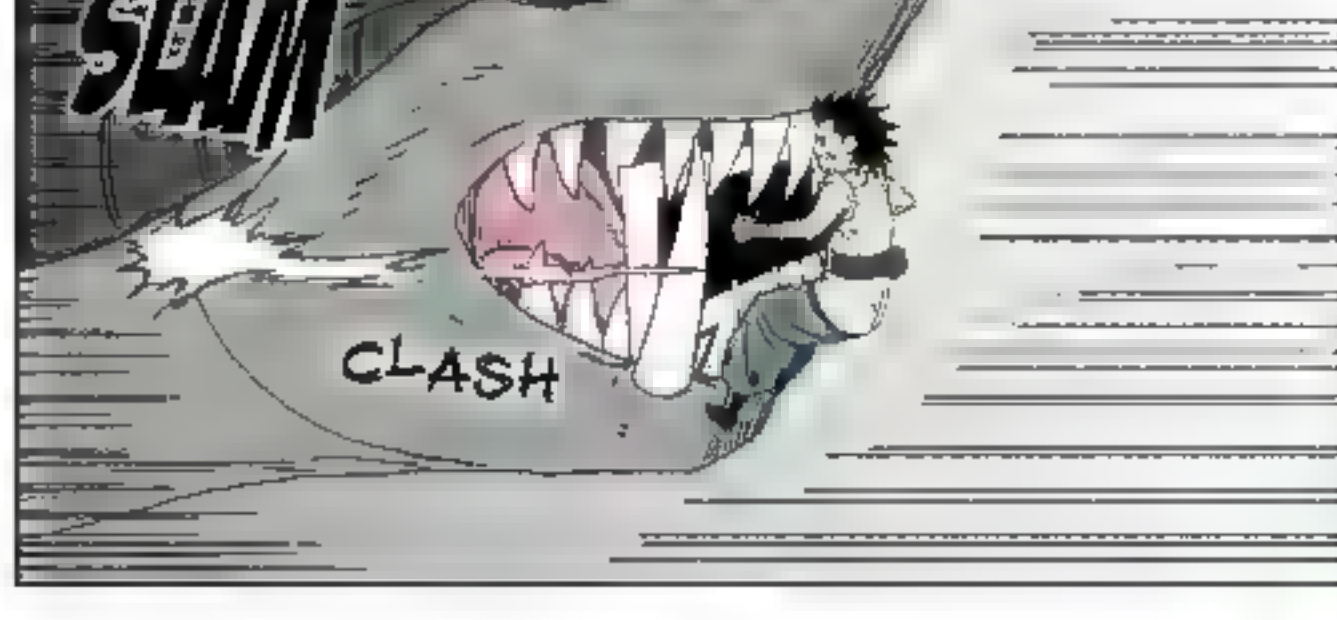

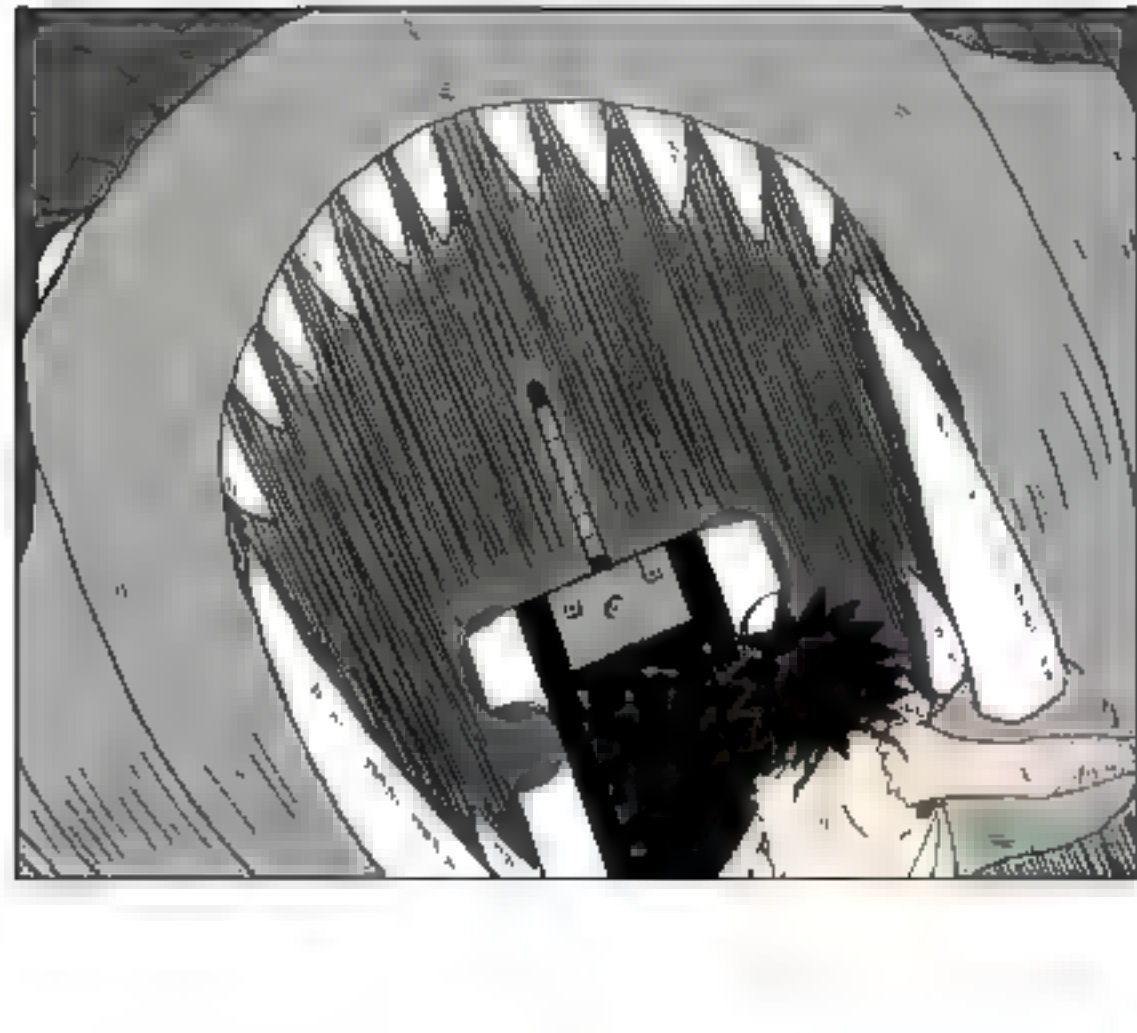

if that's not an option

T/LN. THE LITERAL MEANING IS TO GRAFT A FLOWERED TREE TO ANOTHER TREE BUT WHEN USED IN ACTION / MARTIAL ARTS NOVELS IT IS A BASIC SKILL THAT MEANS TO CUNNINGLY SWITCH OR INVERT

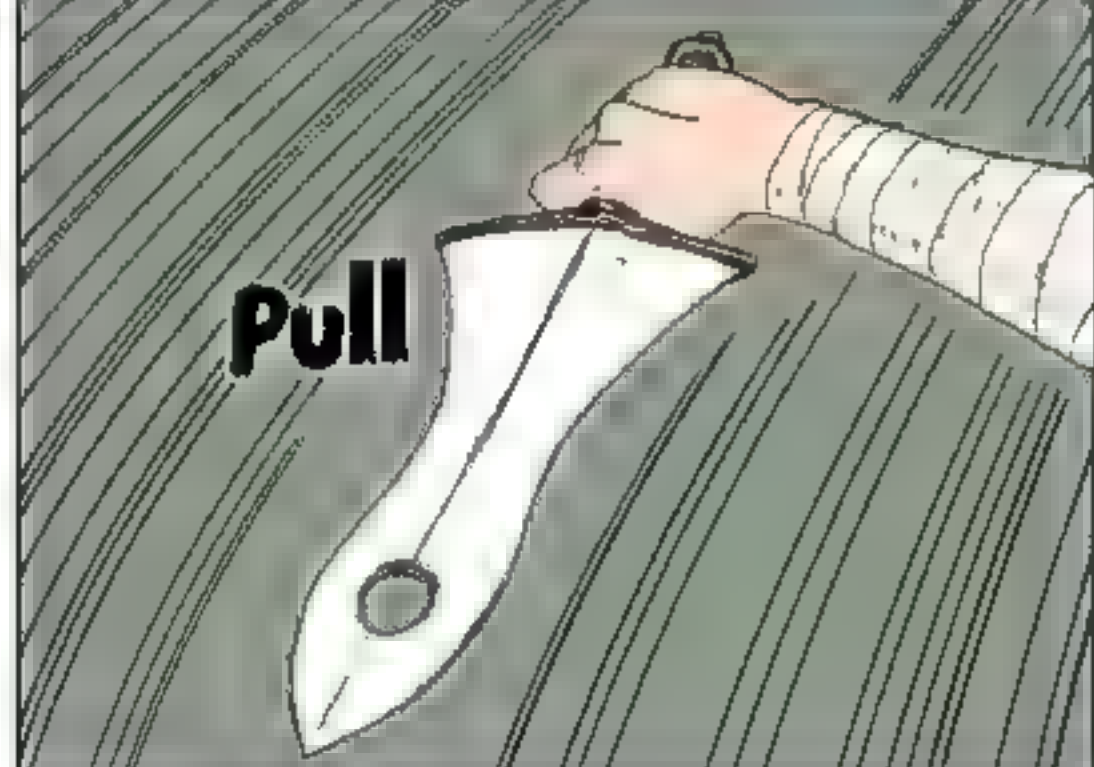

I won't die alone!

chapter 20

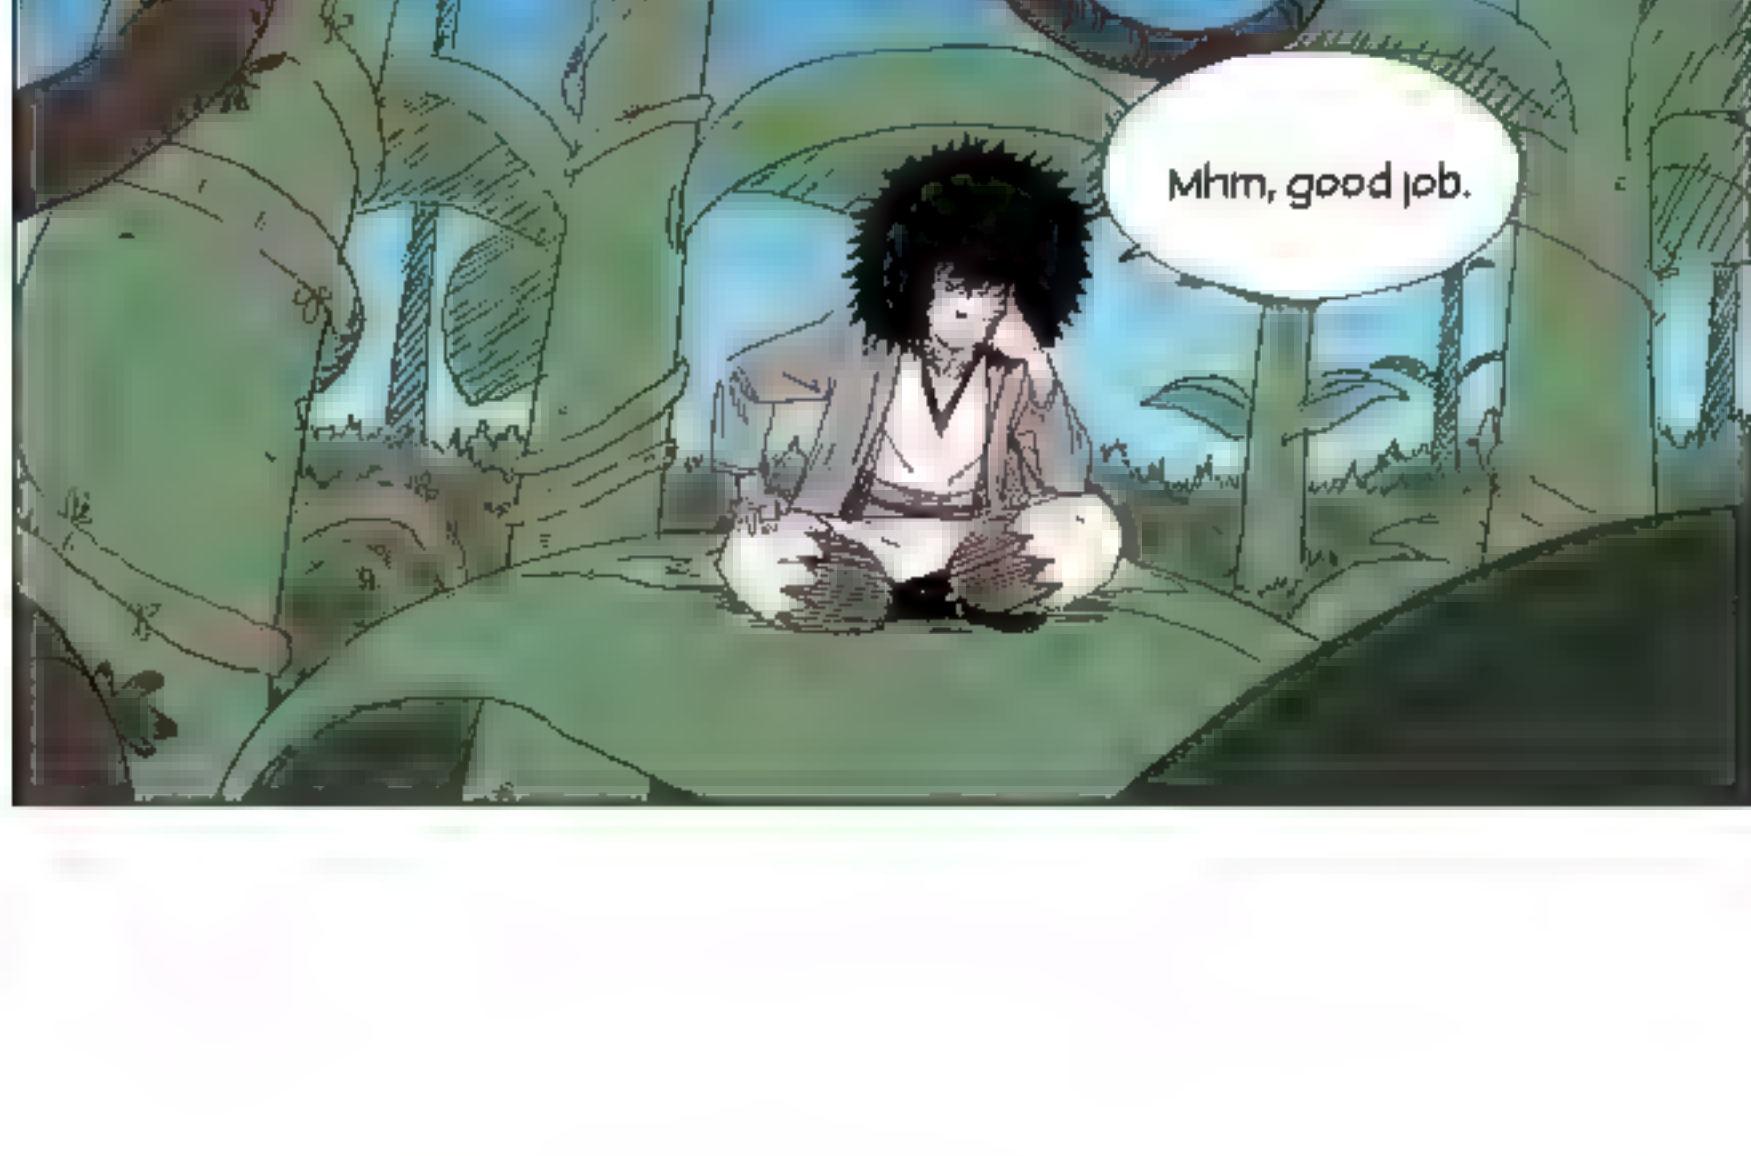

I need to help him!

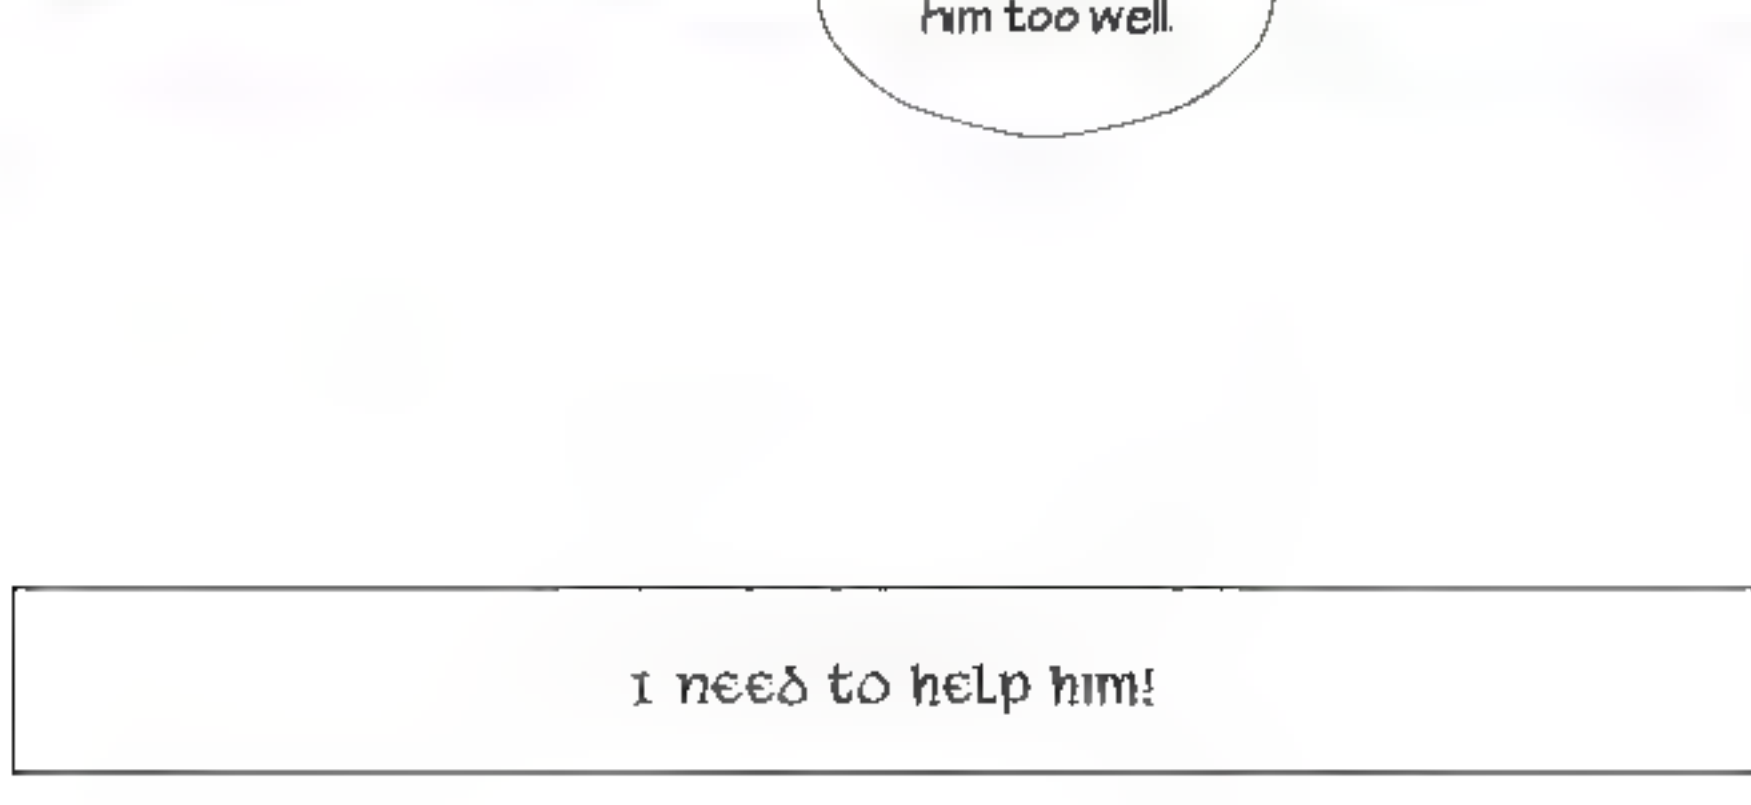

I need to help him!

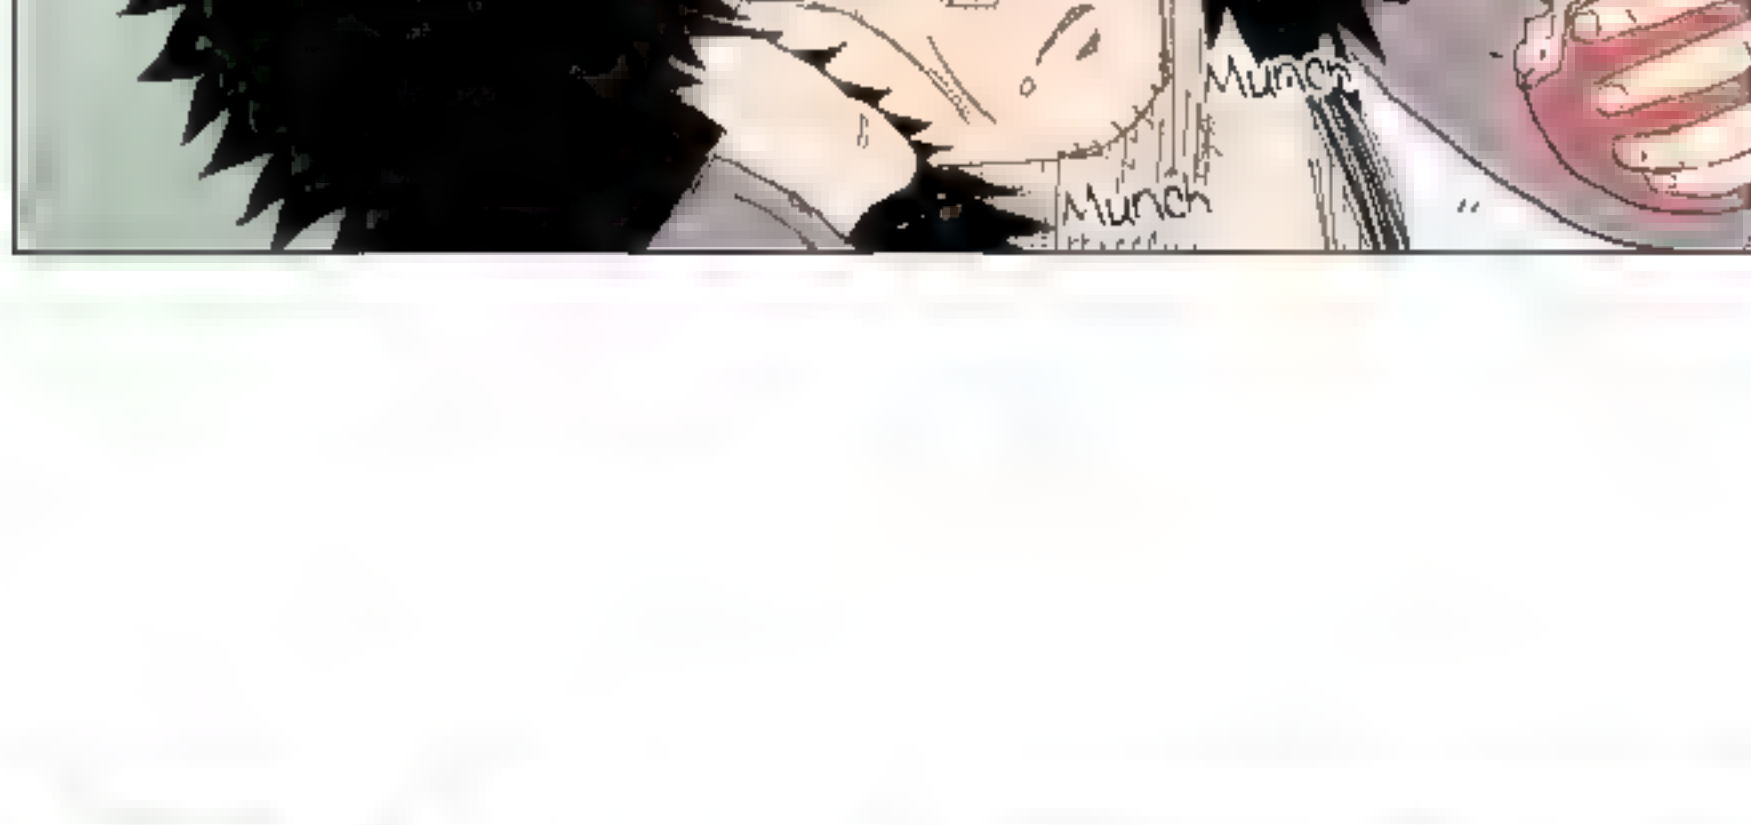

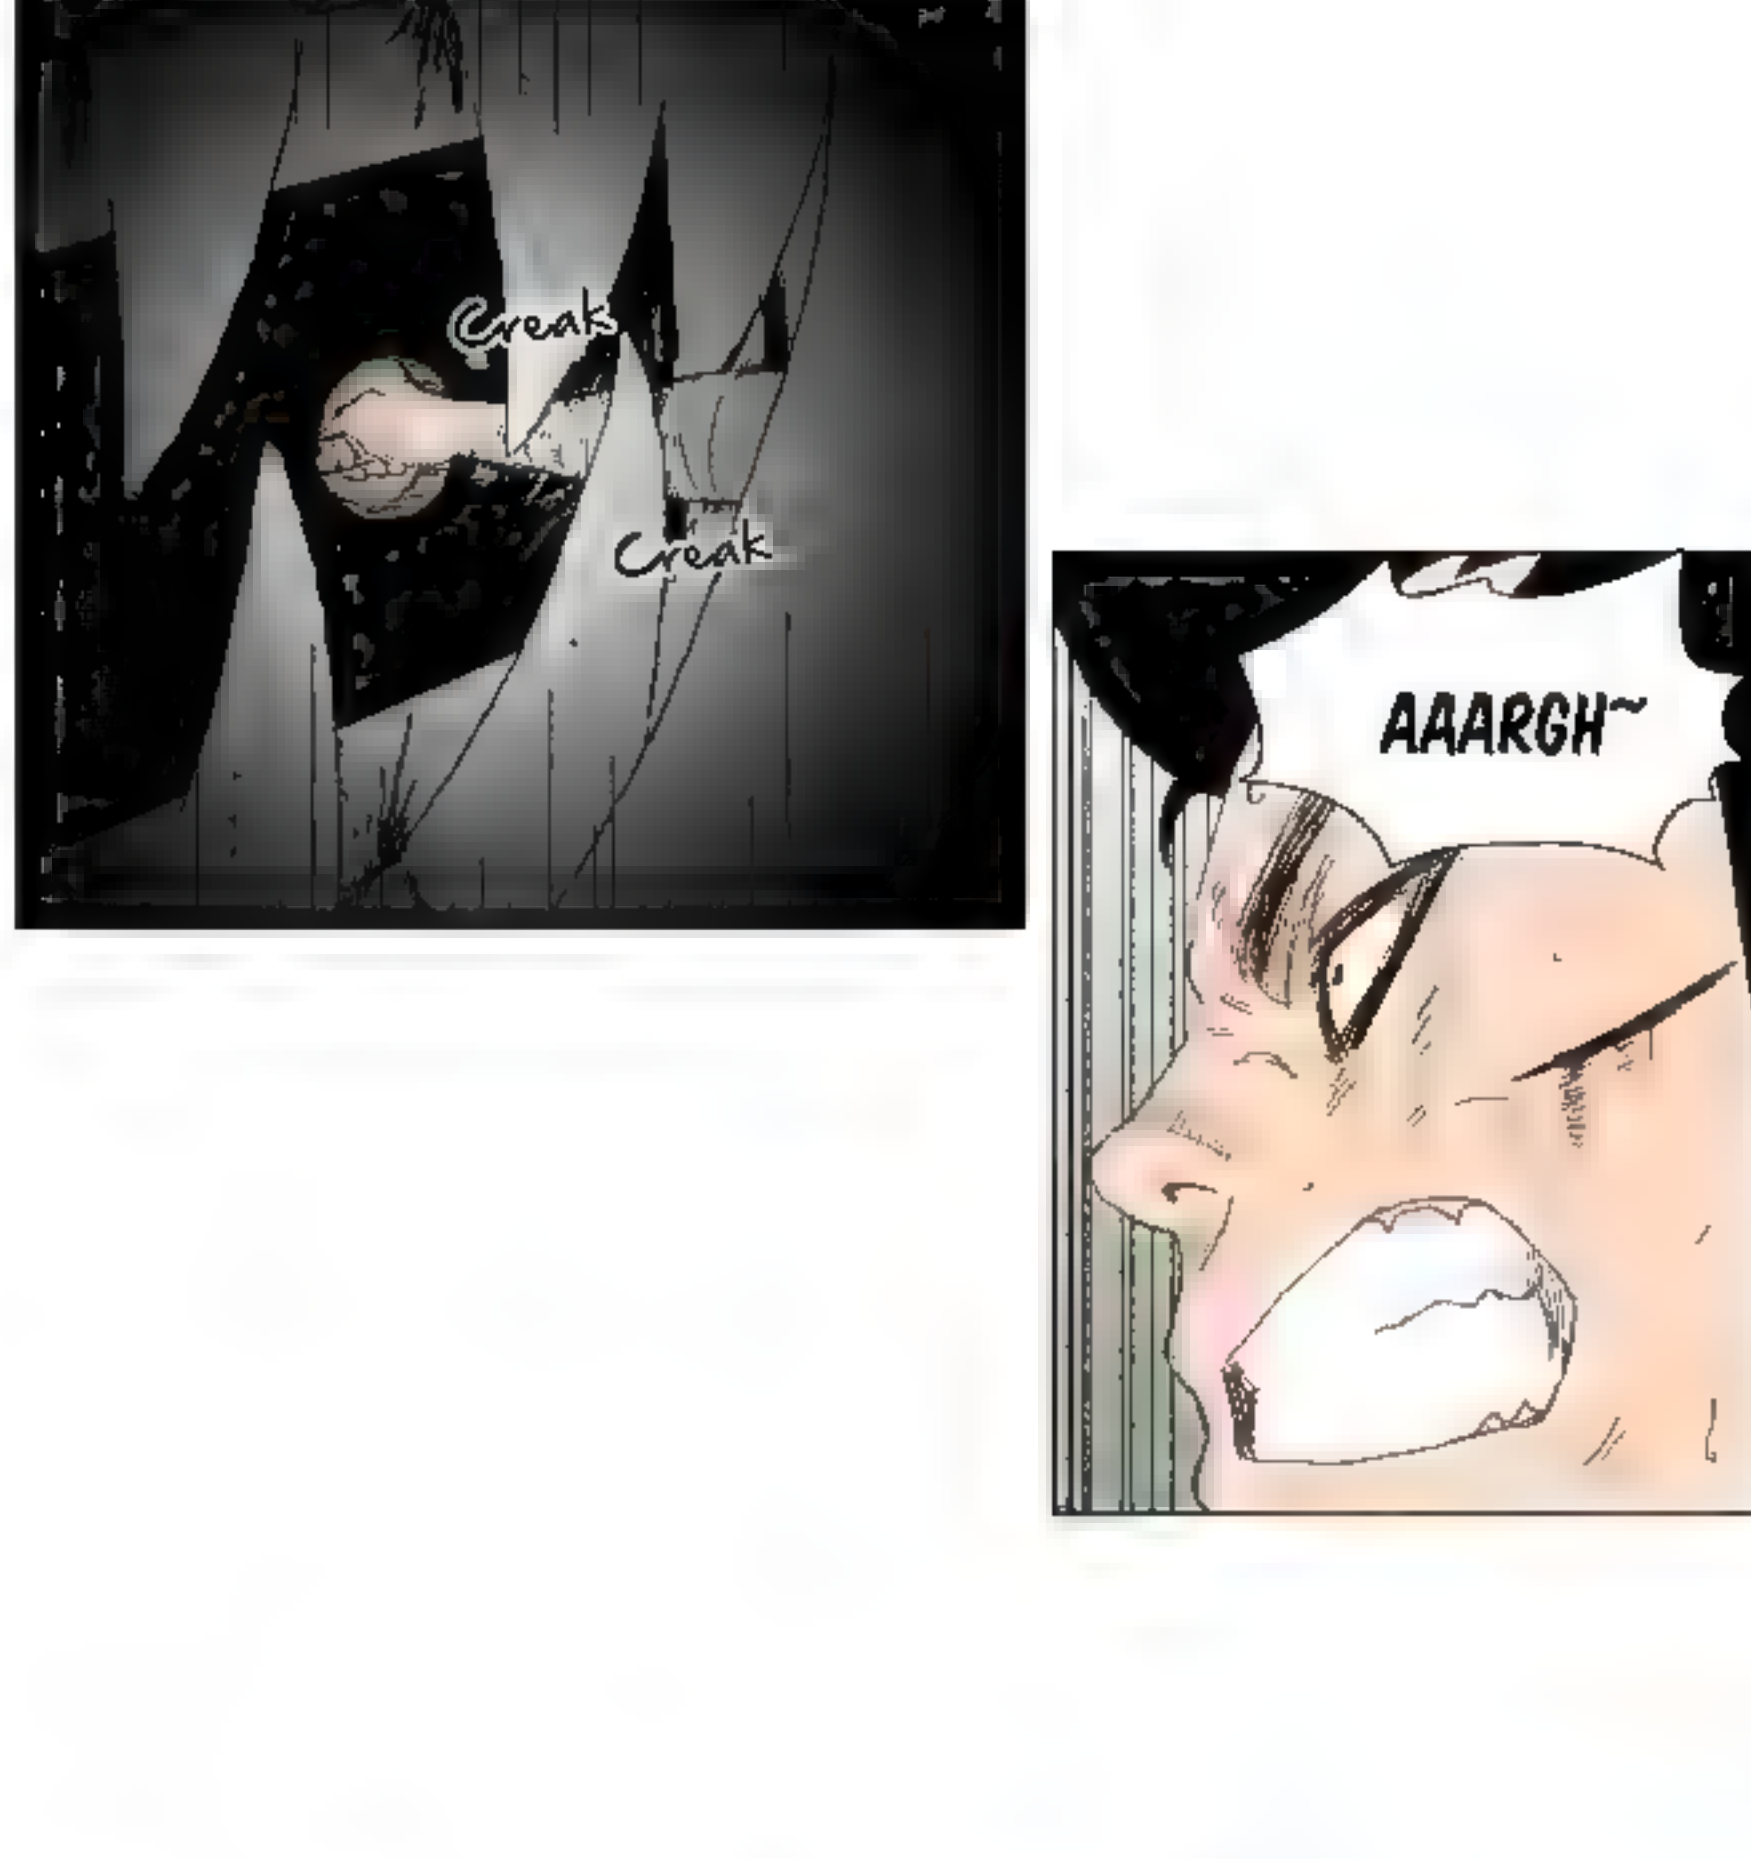

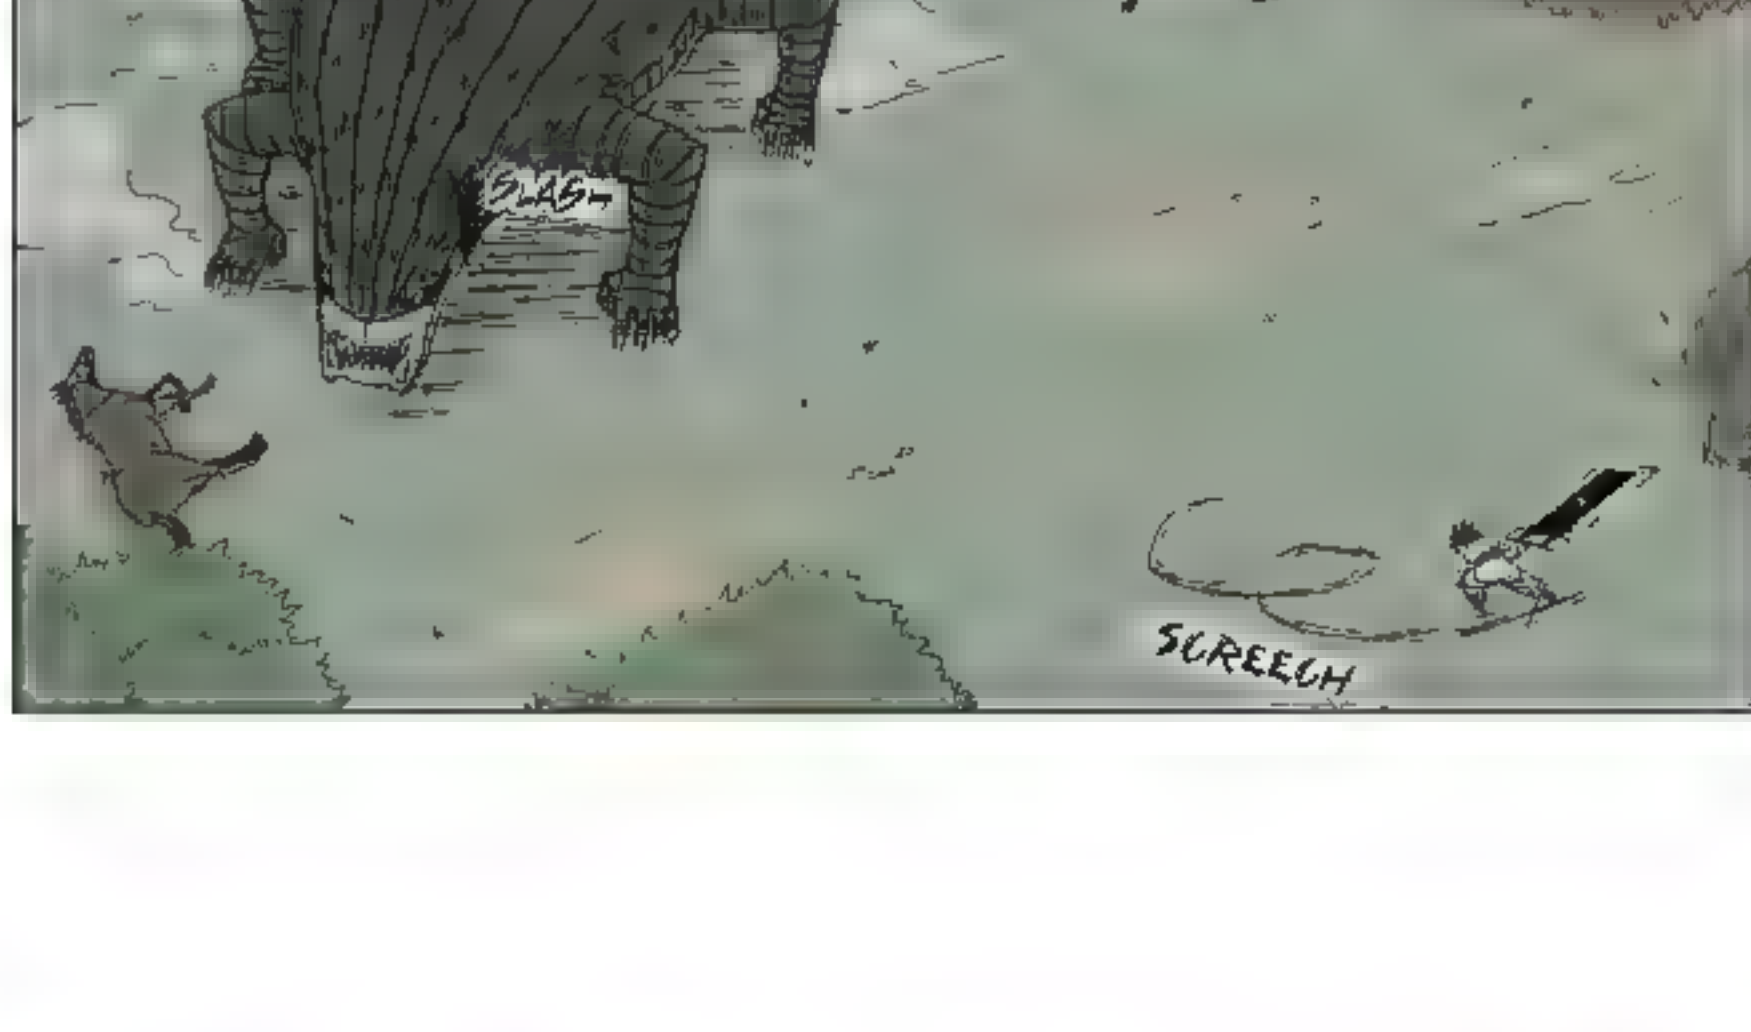

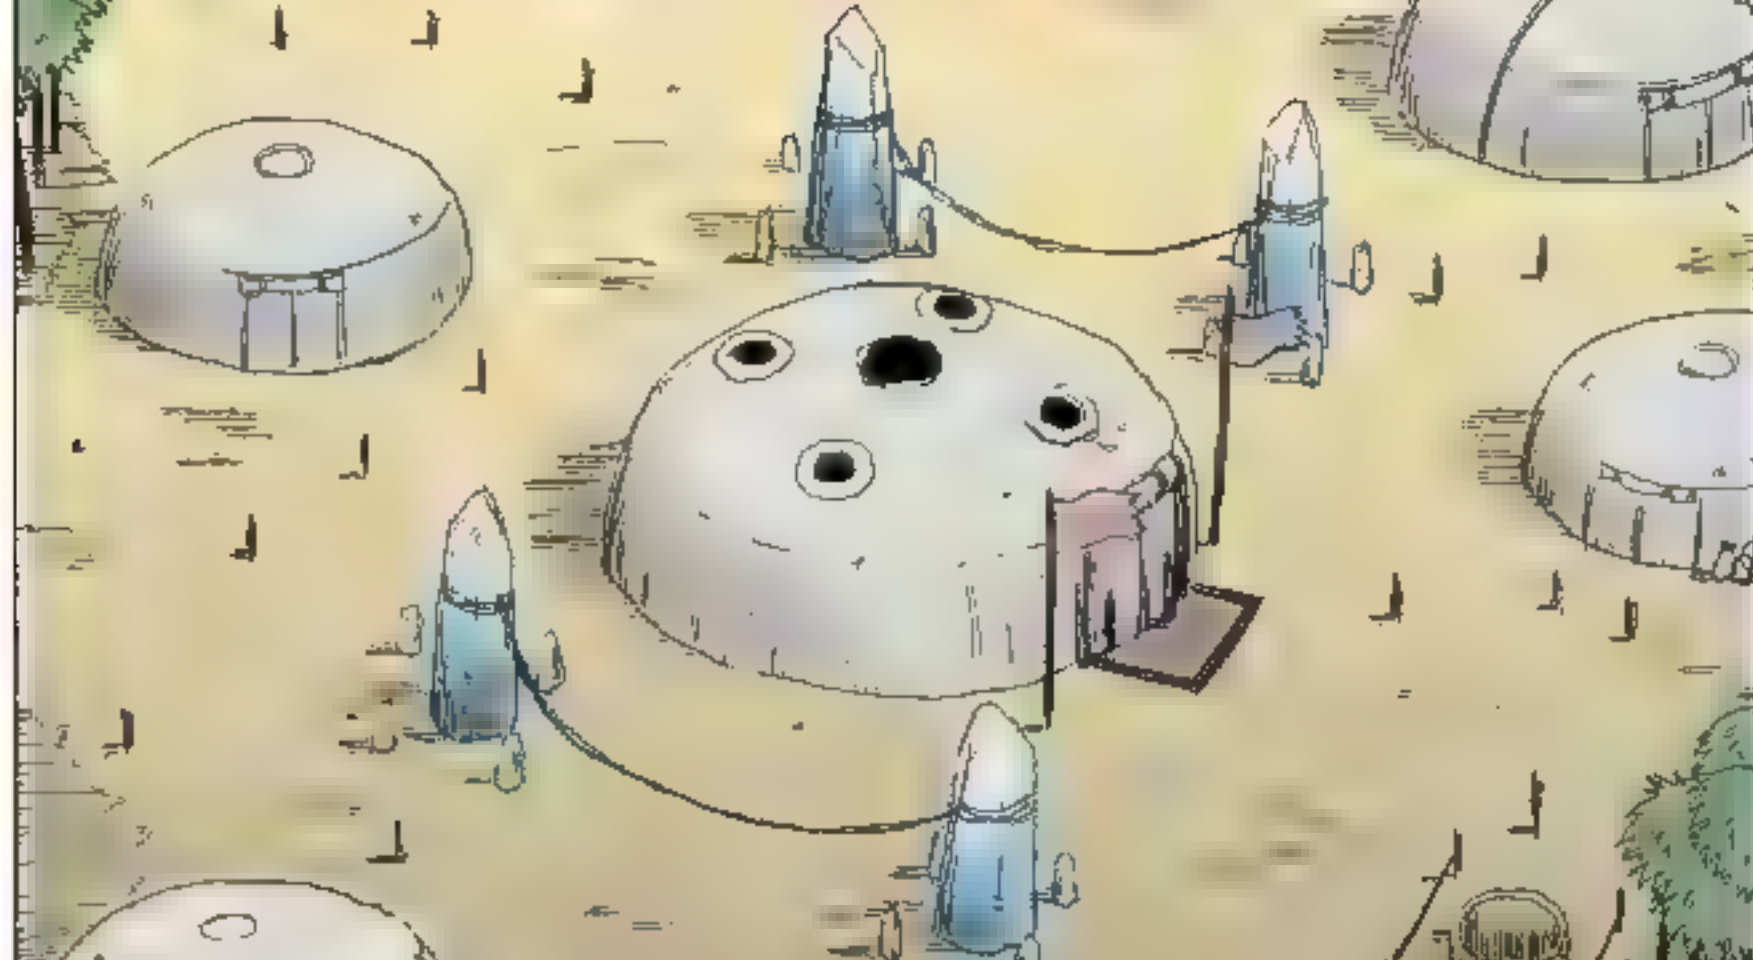

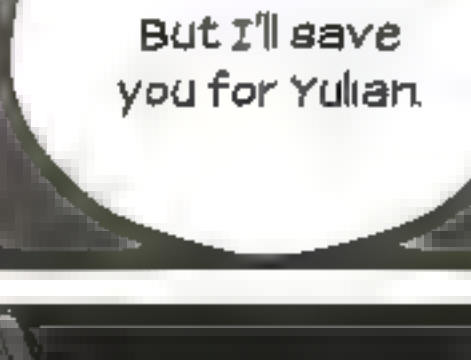

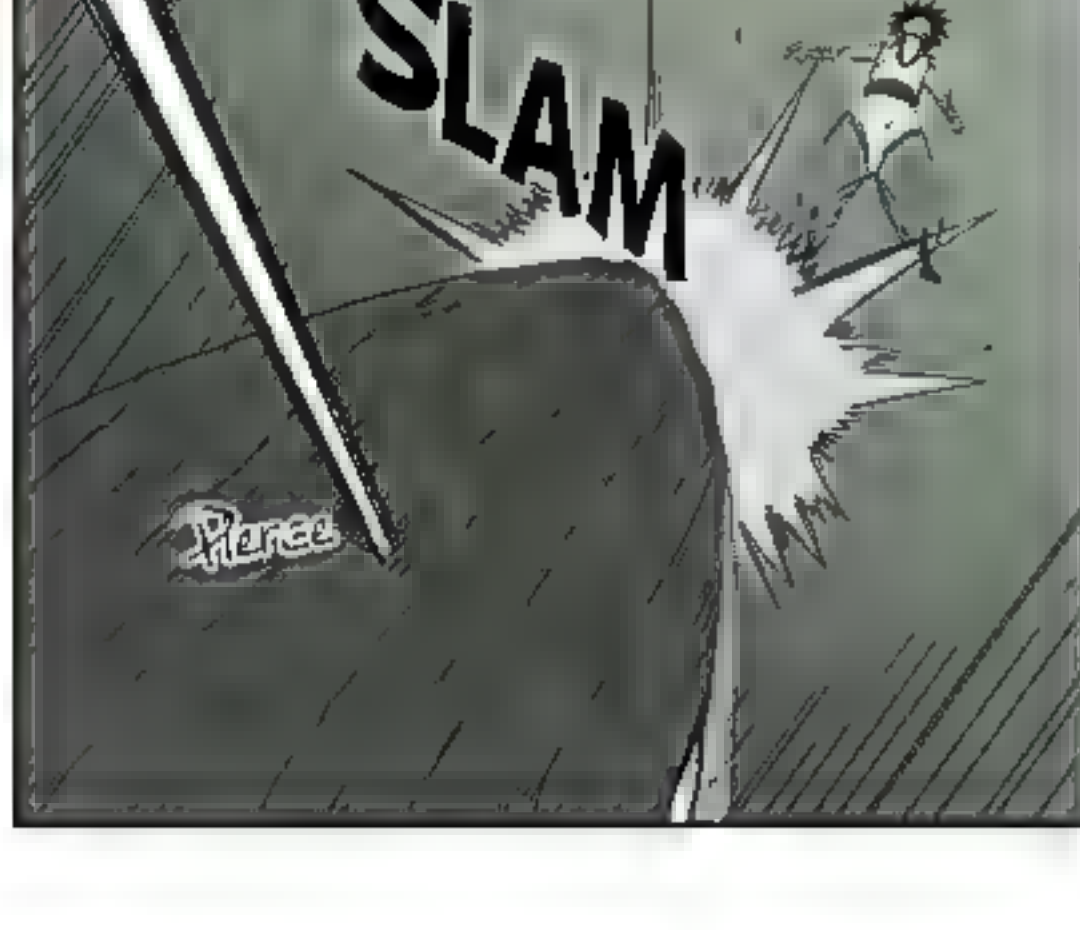

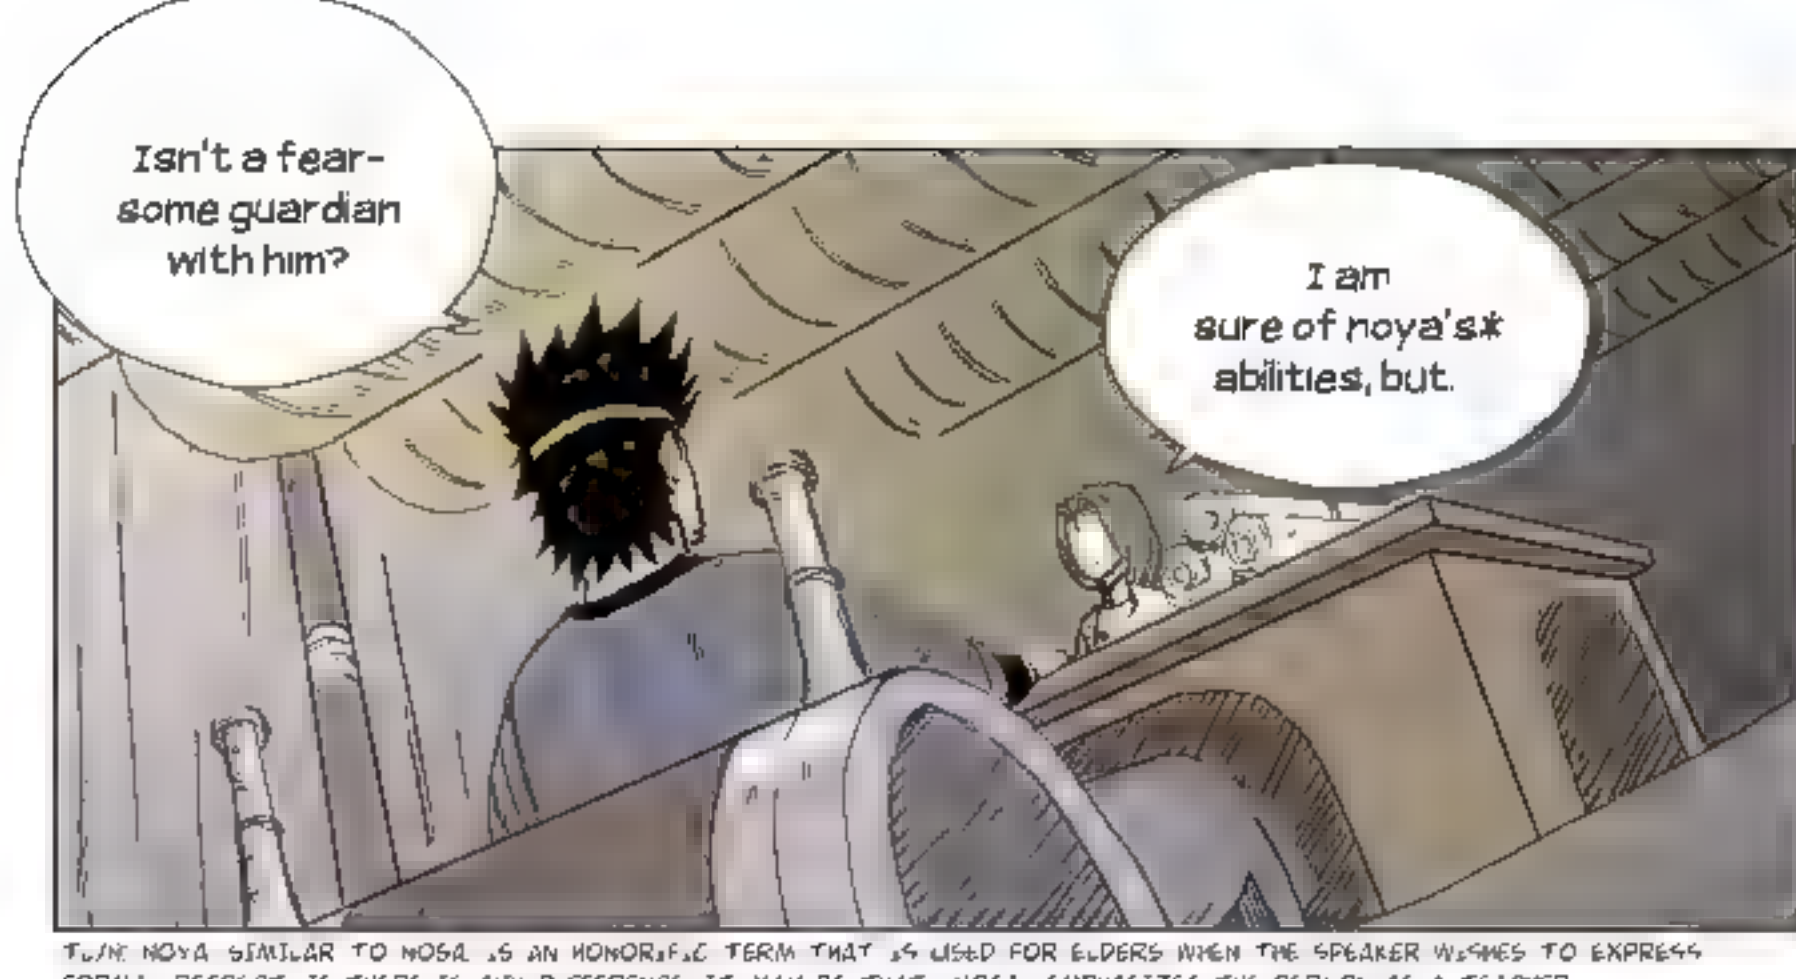

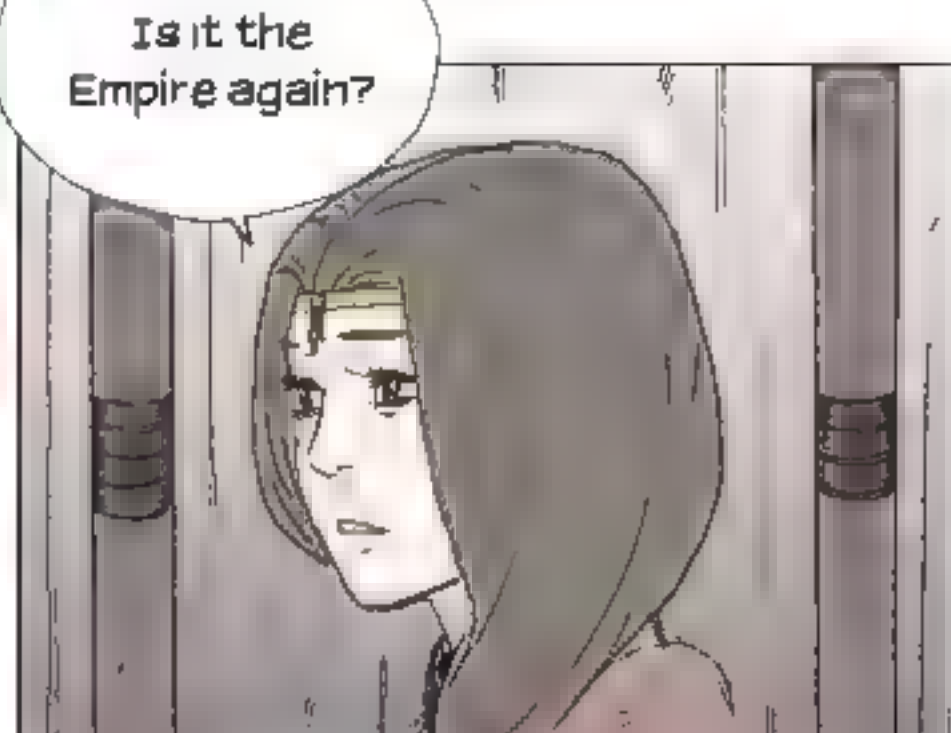

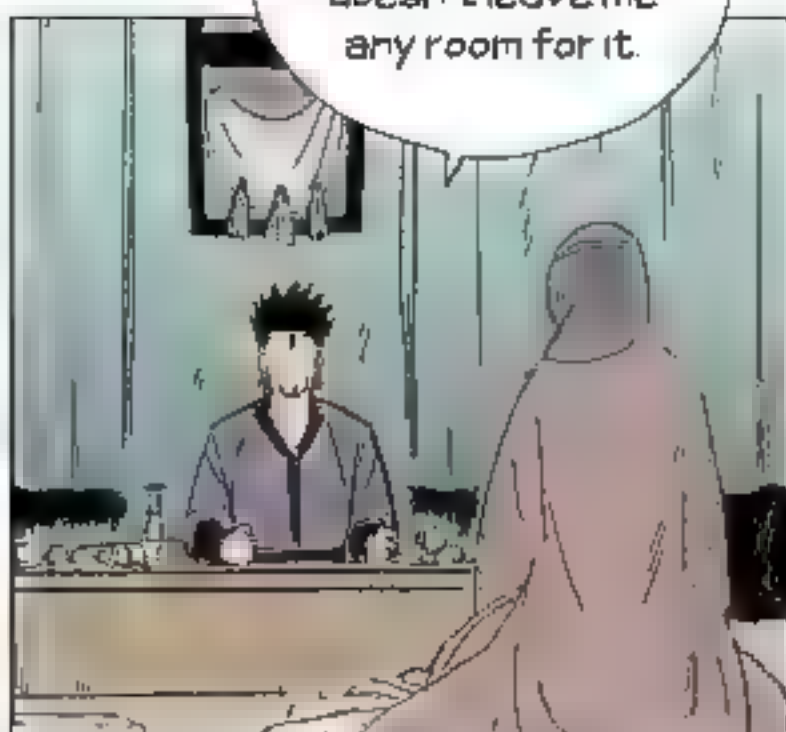

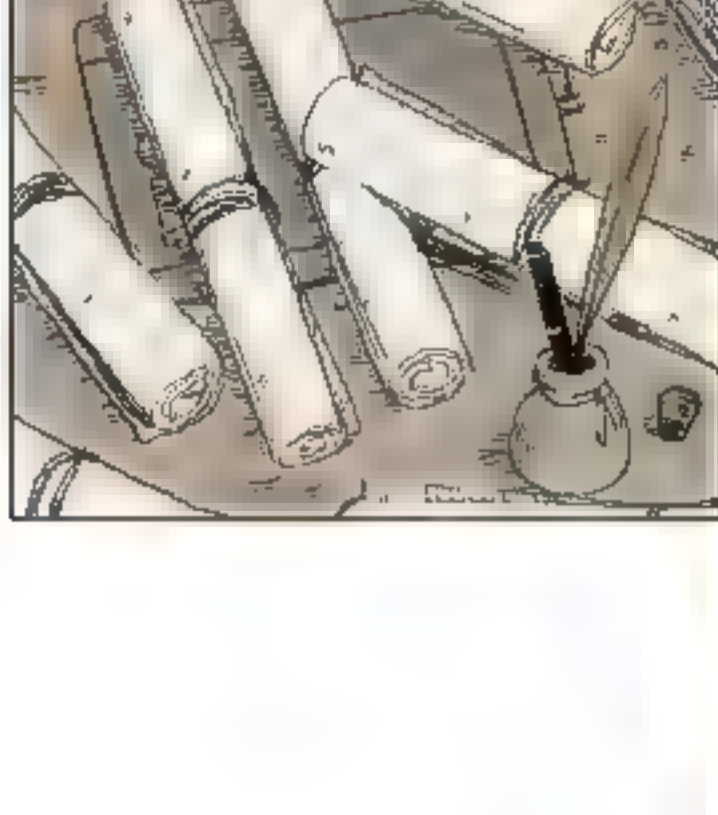

I need to help him!

I need to help him!

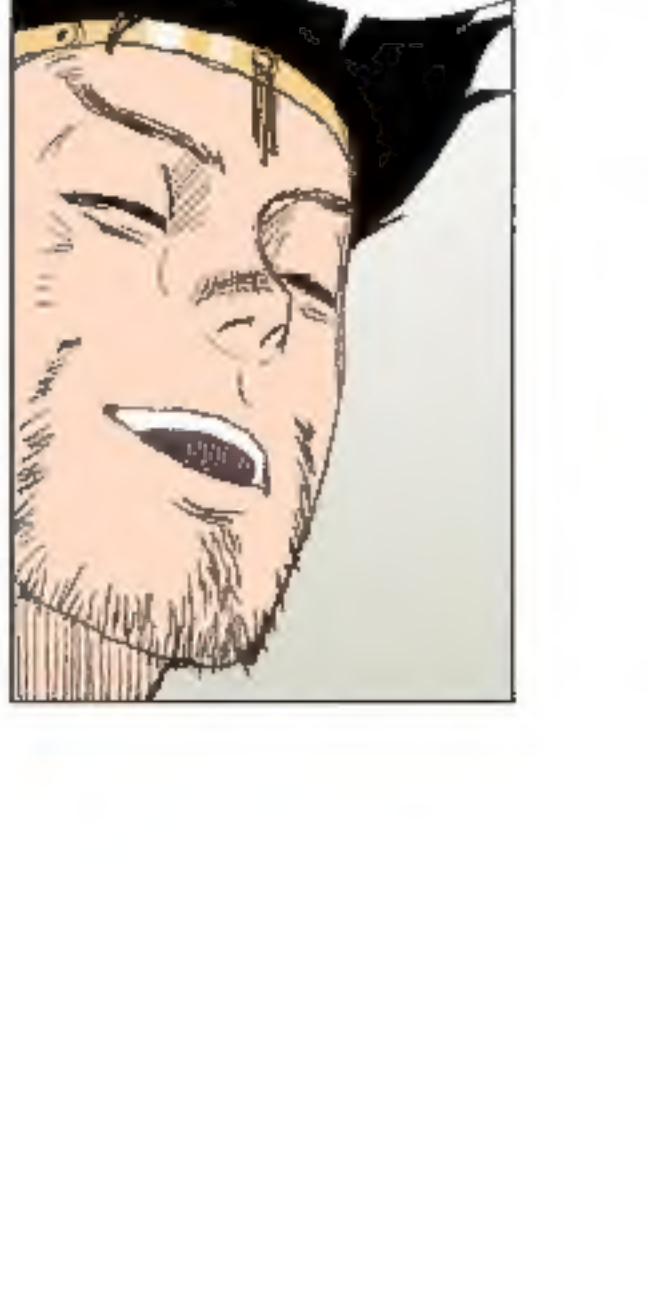

*NOTE: NOYA, SIMILAR TO NOSA, IS AN HONORIFIC TERM THAT IS USED FOR ELDERS WHEN THE SPEAKER WISHES TO EXPRESS FORMAL RESPECT. IF THERE IS ANY DIFFERENCE IT MAY BE THAT NOSA EMPHASIZES THE PERSON AS A TEACHER.

You have aged as well.

The youthful days are not eternal even with me.

I wish he would return soon and lend me some help.

Also because the warrior ceremony is not far from now.

The boy hasn't even completed his coming-of-age ceremony. Will you really have him take the warrior ceremony?

Right now, it's only my wish.

But it won't be that impossible, especially with noya's abilities.

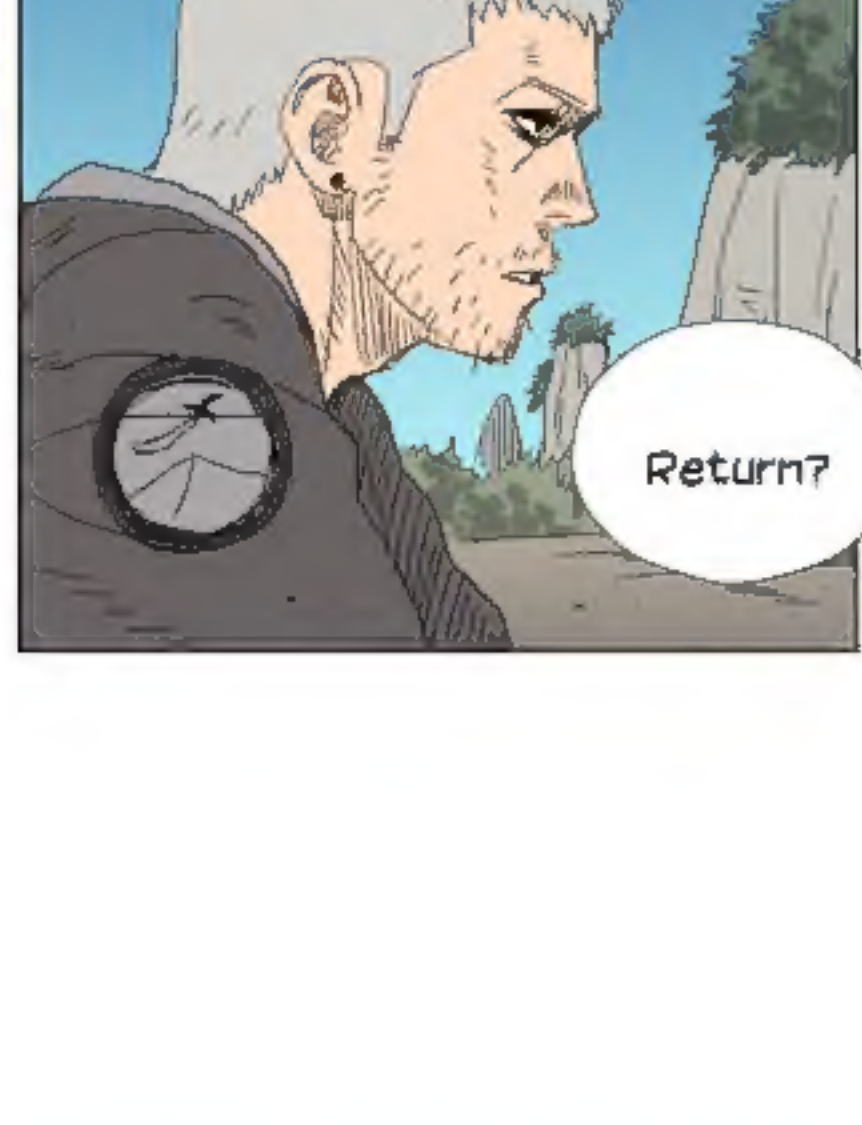

CHIRP CHIRP

Captain

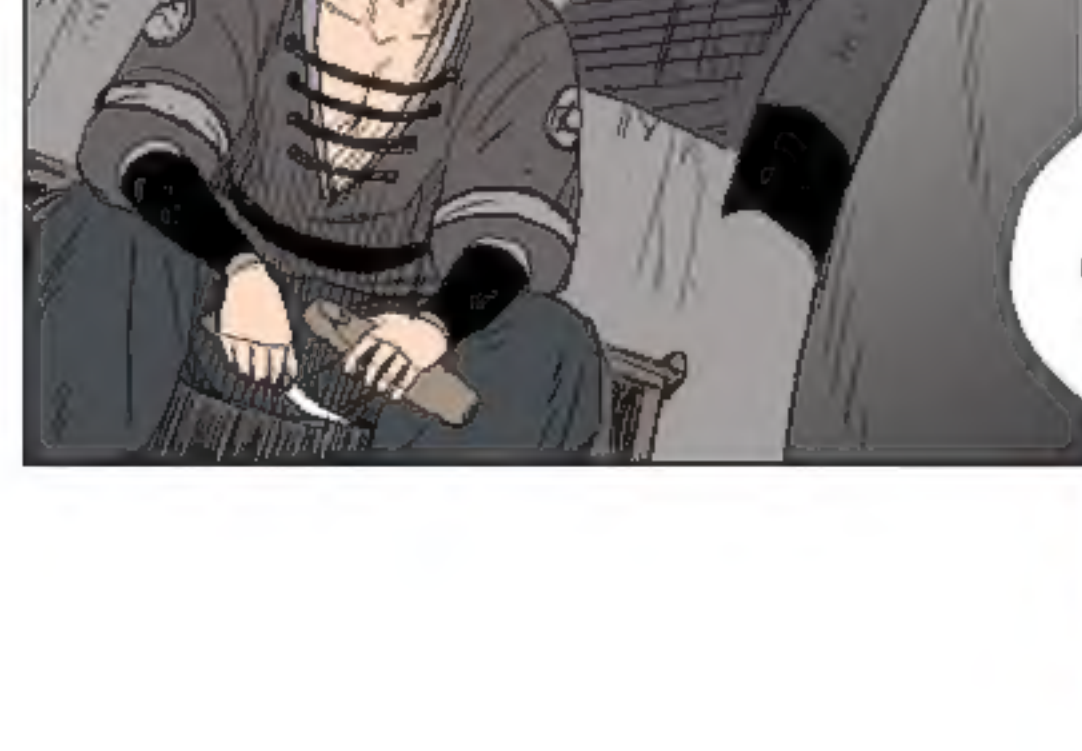

It's a return order.

Return?

You were away for a long time. They must have been nervous.

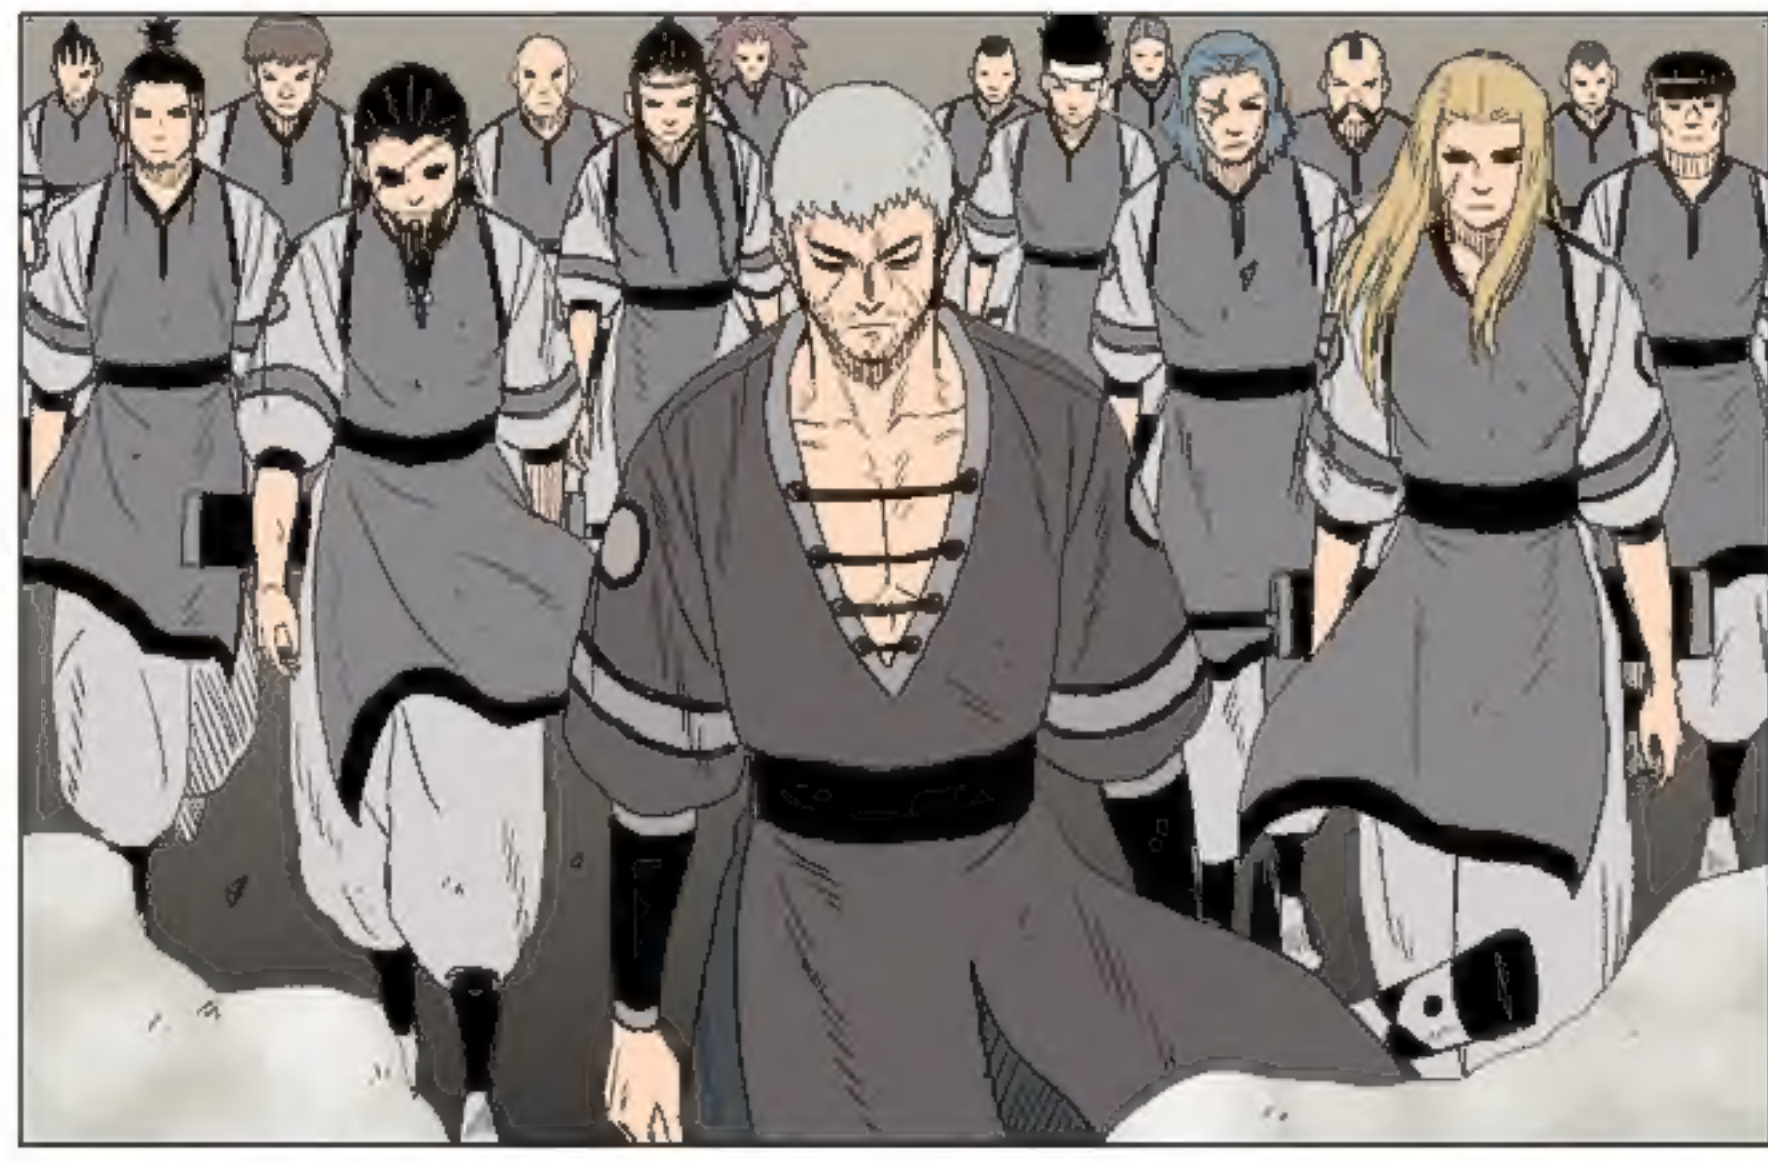

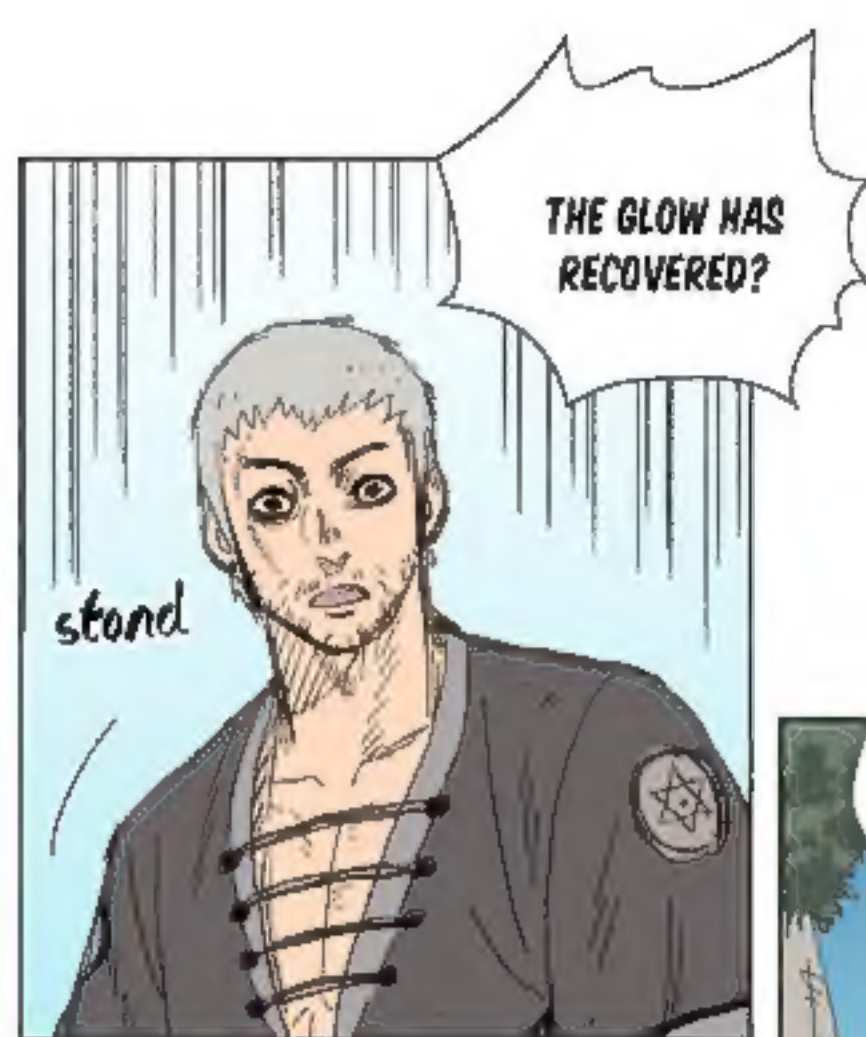

Shut up with the useless talk.

They say Glow recovered from his illness.

And he immediately looked for you, captain. Furthermore, when he discovered that you went hunting for the magical beasts, he became furious.
